LOCATION

A label of the A type is affixed on every radio apparatus. It is placed on the left front portion of the unit (Fig.1).

The B type label defines the "Single Point of Contact" for the technical support and it is positioned on the left side of the unit (Fig.2).

If the product is subject to 47 CFR Part 15, Subpart B, a further label of the C type is present on the left side of the unit (Fig.2).

In the following drawings the position of the above-described labels, affixed to the chassis of the apparatus, is shown.
