EUT View 5	 A side view of a green cylindrical battery. A white label is wrapped around the middle, with the text "AMPCEL-0.6/50" and "P/N: 03000000" printed on it. The battery is positioned horizontally above a black ruler with white markings. The ruler shows measurements in centimeters, with the battery's length spanning approximately from the 10 cm mark to the 100 cm mark. The background is a light blue textured surface.
EUT View 6	 A top-down view of the battery terminal. The terminal is a black, hexagonal-shaped cap. The battery is oriented vertically, with the terminal at the bottom. A black ruler with white markings is placed horizontally below the terminal. The ruler shows measurements in centimeters, with the terminal positioned just above the 10 cm mark. The background is a light blue textured surface.
