

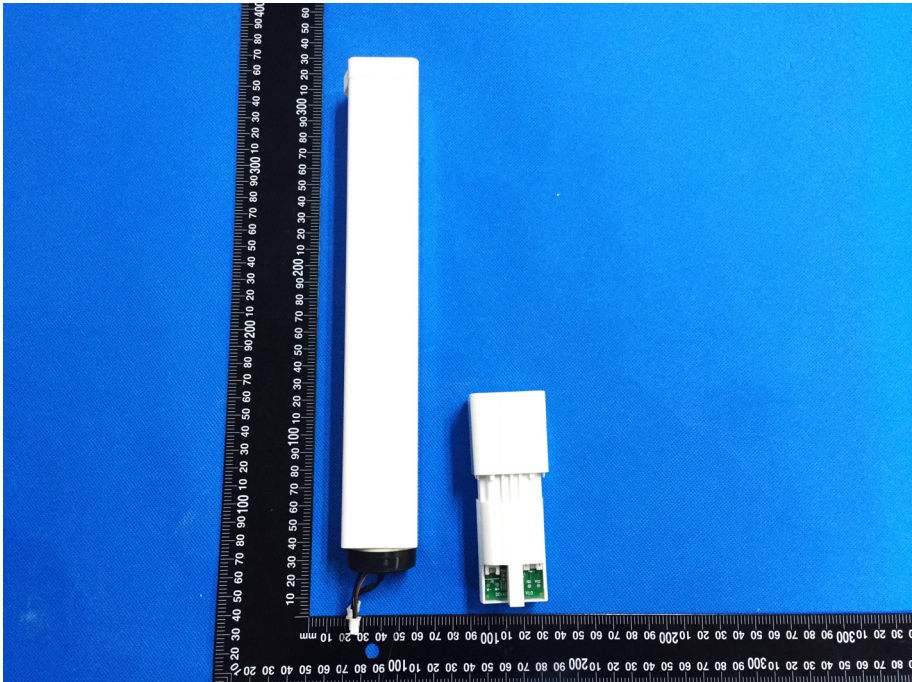

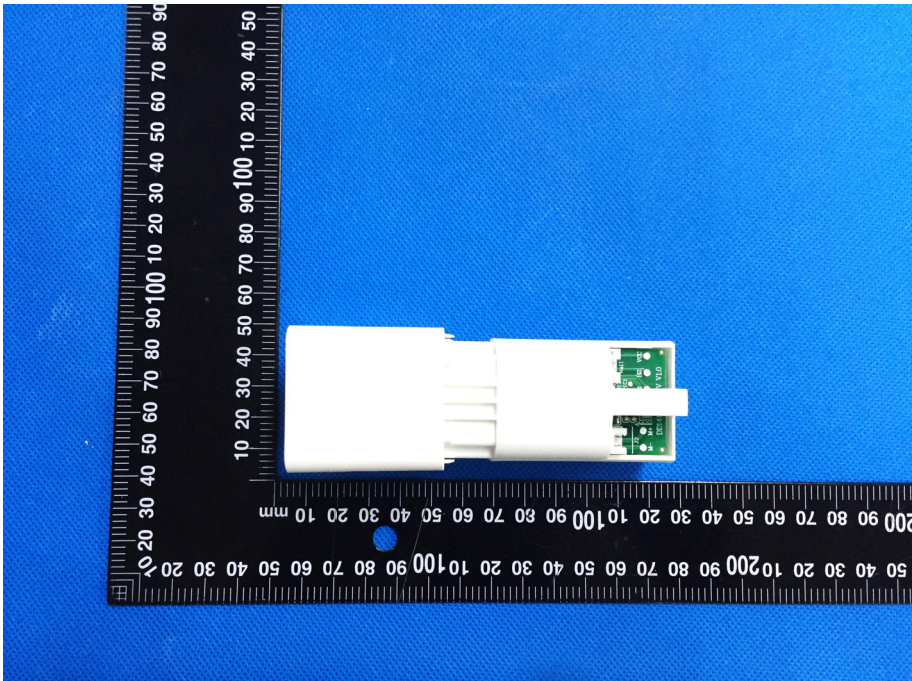

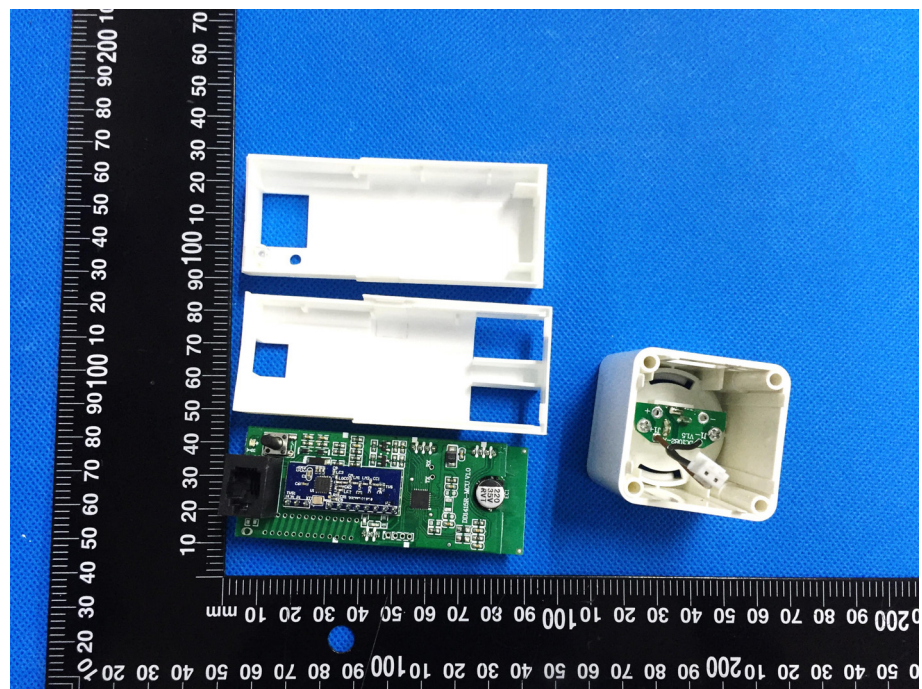

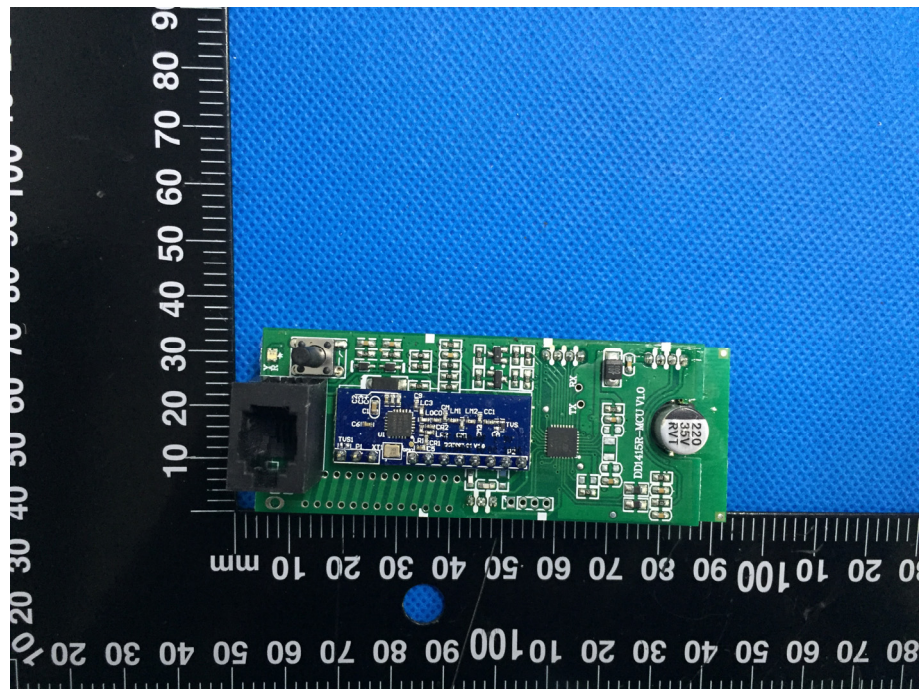

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

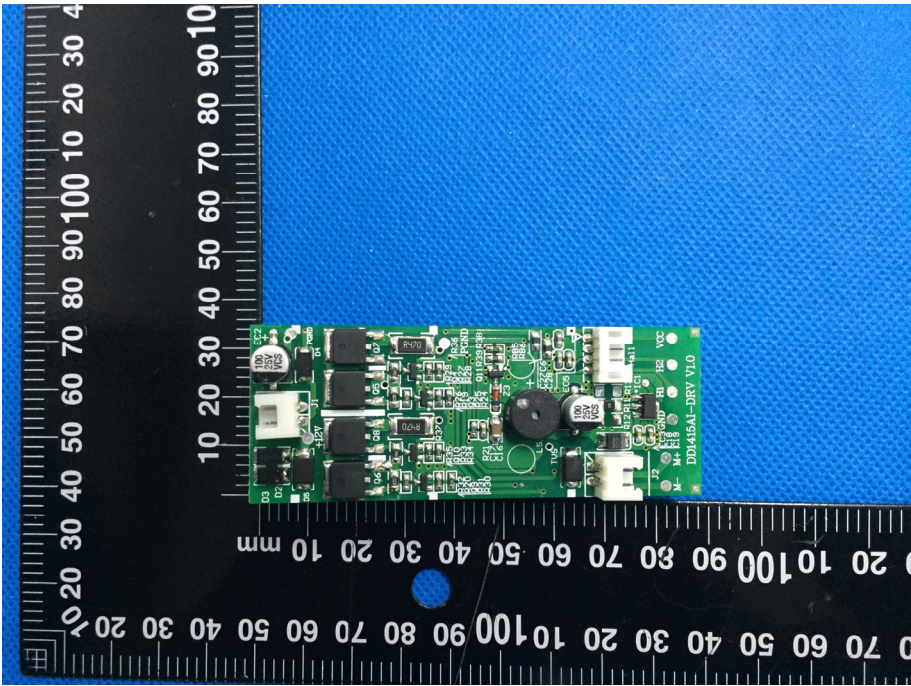

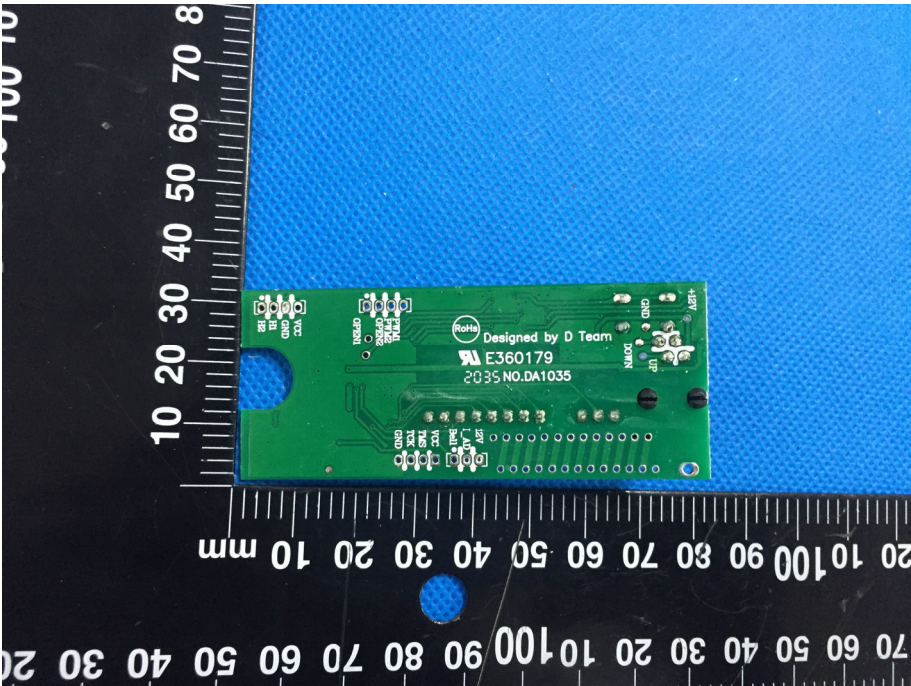

EUT Housing and Board View 1	 A photograph showing the EUT housing and board from a side-on perspective. The housing is white and rectangular. The board is green and visible at the bottom. A black ruler is placed vertically to the left of the housing for scale. The background is blue.
EUT Housing and Board View 2	 A photograph showing the EUT housing and board from a top-down perspective. The housing is white and rectangular. The board is green and visible at the bottom. A black ruler is placed horizontally to the left of the housing for scale. The background is blue.

**Solder
Board-Component View
1**

Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) populated with various electronic components, including integrated circuits, capacitors, and resistors. The board is oriented vertically and placed against a blue textured background. A black L-shaped ruler is positioned to the left and bottom of the board, with white markings in millimeters. The board is labeled with 'DD415A-DRV V1.0' and other component identifiers.
Solder Board-Component View 3	 A photograph of a green printed circuit board (PCB) with a large central component, likely a microcontroller or processor, and several peripheral components. The board is oriented vertically and placed against a blue textured background. A black L-shaped ruler is positioned to the left and bottom of the board, with white markings in millimeters. The board is labeled with 'Designed by D Team', 'E360179', and '2035 NO.DA1035'.
