Top

A blue circular component, possibly a sensor or actuator, with four black circular features arranged in a square pattern. The component has a ruler for scale at the bottom, showing measurements in centimeters and millimeters. The ruler includes markings for 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, and 17 cm. The component has some handwritten text in the center: "072483", "VIPS-B-VI", and "113".
