

Zyxel Networks Corporation

No.2 Industry East RD. IX, Hsinchu Science Park, Hsinchu 30075, Taiwan, R.O.C

Date: May 26, 2026

Subject: Enterprise Access Point and Non-Consumer Device Declaration for
NWA55AX PTP
FCC ID: 2AU6R04459

To Whom it may concern,

We, **Zyxel Networks Corporation**, are writing to clarify the intended use of the equipment in this application. We hereby certify that the device is designed and marketed as an enterprise-grade access point and is intended solely for non-residential, commercial use.

Based on the Federal Communications Commission's guidance regarding routers included in the Covered List, and evaluating the product against the definition of "consumer-grade routers" as referenced in NIST IR 8425A, we respectfully provide the following context regarding the intended design and function of the NWA55AX PTP access point:

Product Application and Environment

The design of the NWA55AX PTP is optimized for for connecting campuses, farms, warehouses, or remote outbuildings. Its primary intended function is to facilitate wireless connectivity within a local area network (LAN) architecture, and it is meant to be deployed within commercial settings

Sincerely,

Emma Bao / Manager

Zyxel Networks Corporation
