Board View 1****EUT Housing and
Board View 2**

Solder Board-Component View 1	 A photograph of a circular electronic component, likely a microcontroller or sensor, mounted on a blue textured surface. The component is positioned next to a black L-shaped ruler for scale. The ruler has white markings in millimeters, with the horizontal scale ranging from 0 to 100 mm and the vertical scale ranging from 0 to 80 mm. The component itself is dark with a central square area and some text, including "T281" and "CR2450".
Solder Board-Component View 2	 A photograph of the same circular electronic component from a different angle, showing its underside. It is placed next to the same black L-shaped ruler for scale. The underside of the component shows a central square area with a gold-colored pad, and text including "T281" and "CR2450".
