FCC Professional installation declaration letter

Date: 2026-09-11
FEDERAL COMMUNICATIONS COMMISSIONS
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046

Subject: Professional Installation Declaration for FCC ID: 2AUD3-SPIDER

To Whom It May Concern:

We, Pal electronics systems, the grantee of the above referenced equipment, hereby formally declare that:

This device is restricted to professional installation only and is not intended for sale to or use by general end-users.

The device is designed to be installed by qualified, professionally trained installers, and no user-accessible antenna connectors or RF parameter adjustment interfaces are provided to ordinary consumers.

The antenna used for this device employs a standard antenna coupler that cannot be replaced or modified by end-users without the grantee's explicit authorization.

The full user manual included with the product contains clear, step-by-step professional installation instructions, which explicitly state that the installer must possess the necessary technical qualifications to configure and install the equipment in compliance with FCC RF exposure and emission limits.

No marketing materials, product packaging, or public-facing product descriptions will indicate that the device is intended for use by non-professional, general consumers.

We confirm that all statements above are true and accurate, and we take full responsibility for ensuring that all production units of this device strictly follow the professional installation requirements defined in FCC Part 15 rules.

Sincerely,

Signature
