

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A black rectangular electronic unit (EUT) is shown against a blue background. The unit has a dark, possibly reflective, top surface and a speaker grille with a grid of small holes on the front. To the right of the unit is a coiled black cable with a white connector. A black L-shaped ruler with white markings in centimeters and millimeters is placed to the left and below the unit for scale.
EUT View 2	 A black rectangular electronic unit (EUT) is shown against a blue background, similar to View 1. It features a dark top surface and a speaker grille on the front. A black L-shaped ruler with white markings is placed to the left and below the unit for scale.

EUT View 3

EUT View 4

EUT View 5	 A black rectangular electronic device is shown from a top-down perspective. It features a small circular sensor on the left side and a speaker grille on the right side. The device is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.
EUT View 6	 A black rectangular electronic device is shown from a side perspective. It features a small circular sensor on the left side and a speaker grille on the right side. The device is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.
