Welcome to the Wonderful World of ROYBI®

To get started, go to the AppStore or Google Play & download the ROYBI® app.

ROYBI

EN

Turn Roybi Robot On

Take Roybi Robot and the charging plate out of the box. Connect the plate to the power adapter. Now, press the small button under its **right** shoe, once.

Note: remove the serial number sticker first.

Charging Plate

Power Button (under the shoe)

Step 1

5

Step 2

Create an Account

Create your new ROYBI® account using your email and fill out the information.

6

Step 3

Wi-Fi and Installation

Connect your mobile device to Wi-Fi and tap 'Install ROYBI!'. Place ROYBI's camera in front of your phone to scan the QR code.

Note: You may need to change the angle and distance of your phone, if it does not scan on the first try.

7

Step 4

Continue on the ROYBI app

Now, it is time to learn how to work with your Roybi Robot. Follow the on-screen instructions on the app.

8

Step 5

Smile! You look great

Using your mobile device, take a photo of your child, and upload it. This picture will help Roybi Robot recognize your child.

9

Ready!

Talking to Your New Family Member

To talk to Roybi Robot and play lessons, press the small button under its green hat once. **Press firmly!**

10

Display

Understand Roybi Robot's Display

After Roybi Robot speaks, wait until you see the "lips" on the screen to respond.

Respond NOW

11

Seat

Charging Plate ... "Seat"

Roybi Robot has a little seat for charging and playing games. Use the colorful buttons to interact with Roybi Robot during lessons or to play your child's favorite songs.

Play a Story

Play a Lesson

Play a Song

12

Question?

Resetting / New Wi-Fi

To reset Roybi Robot or to install on a new WiFi, press and hold the power button for 8 seconds until you see this icon on the display.

Having Trouble Getting Started?

If you are having trouble with installation or using your Roybi Robot, please visit <https://roybirobot.com/gettingstarted>

You may email us with any issues: helo@roybirobot.com

ROYBI ROBOT HARDWARE LIMITED WARRANTY | USA

This Limited Warranty is applicable only if you purchased your Roybi Robot in the United States.

WHAT DOES THIS WARRANTY COVER AND HOW LONG DOES IT LAST?
ROYBI® warrants that any new Roybi Robot device, including the various parts in the package, will be free from defective materials and workmanship under normal use under ROYBI's published user documentation for one year from the original date of purchase in its original packaging by you. This warranty is referred to as our "Limited Warranty."

WHAT WILL ROYBI® DO?
If a defect is found in this Limited Warranty appears, and you return your Roybi Robot device during the stated Limited Warranty period (one year from the original purchase date), ROYBI® will honor the warranty and repair your Roybi Robot using new parts, or ROYBI® repairs or replaces your Roybi Robot, the device will continue to be covered for the remaining time of the original warranty period. All returned parts (for that have been replaced for you) will become the property of ROYBI®. The repair or replacement of these parts may result in the loss of data. THIS LIMITED WARRANTY WITH YOUR ROYBI ROBOT OR THIS LIMITED WARRANTY WILL NOT EXCEED THE AMOUNT YOU ACTUALLY PAID ROYBI® FOR YOUR ROYBI ROBOT.

THE LIMITED WARRANTY PROVIDED ABOVE IS THE ONLY EXPRESS WARRANTY ROYBI® PROVIDES FOR YOUR ROYBI ROBOT AND THE ABOVE SOLUTION IS YOUR ONLY SOLUTION TO DEFECTIVE PRODUCTS. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ROYBI® EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES AND CONDITIONS OF ANY KIND, WHETHER STATUTORY OR IMPLIED ARISING FROM A COURSE OF CONDUCT OR OTHERWISE, REGARDING YOUR ROYBI ROBOT EXCEPT THAT ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT ARE LIMITED IN DURATION TO THE PERIOD OF THE EXPRESS WARRANTY ABOVE (ONE YEAR FROM WHEN YOUR ROYBI ROBOT WAS PURCHASED NEW ONLY BY ROYBI® AND AUTHORIZED RESELLERS).

WHAT DOES THIS WARRANTY NOT COVER?
This Limited Warranty is only valid and honored in areas where Roybi Robot is sold and will apply only if you purchased your Roybi Robot from ROYBI® or its authorized resellers. This Limited Warranty is only applicable to the hardware components (and not any software elements) of Roybi Robot, and this Limited Warranty does not apply to damage caused by: (1) normal wear and tear; (2) accidents such as dropping/falling; (3) misuse (including failure to follow product documentation); (4) neglect of the product; (5) disassembly in any manner; (6) alterations; (7) servicing other than by ROYBI® authorized

technicians; and (8) external causes such as, but not limited to, water or liquid damage, exposure to sharp objects, exposure to excessive force, anomalies in the electrical current supplied to the device, and extreme thermal or environmental conditions, including heat and cold. This provided Limited Warranty does not guarantee that the use of the Roybi Robot will be uninterrupted or error-free. For the full list of authorized distributors globally, please refer to roybirobot.com/warranty.

BY READING THIS LIMITED WARRANTY YOU EXPRESSLY UNDERSTAND AND AGREE THAT: TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ROYBI AND ITS SUBSIDIARIES AND AFFILIATES (COLLECTIVELY, "ROYBI PARTIES") SHALL NOT BE LIABLE TO YOU UNDER ANY THEORY OF LIABILITY (WHETHER BY CONTRACT, TORT (INCLUDING NEGLIGENCE), BREACH OR FAILURE OF ANY WARRANTY OR OTHERWISE) FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES THAT MAY BE INCURRED BY YOU IN CONNECTION WITH YOUR ROYBI ROBOT OR THESE TERMS, INCLUDING ANY LOSS OF DATA, WHETHER OR NOT A ROYBI PARTY OR ITS REPRESENTATIVES HAVE BEEN ADVISED OF OR SHOULD HAVE BEEN AWARE OF THE POSSIBILITY OF ANY SUCH LOSSES ARISING. YOU EXPLICITLY UNDERSTAND AND AGREE THAT TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE ROYBI PARTIES' TOTAL LIABILITY IN CONNECTION WITH YOUR ROYBI ROBOT OR THIS LIMITED WARRANTY WILL NOT EXCEED THE AMOUNT YOU ACTUALLY PAID ROYBI® FOR YOUR ROYBI ROBOT.

Some locations, including states, provinces, or territories do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

HOW DO YOU MAKE A CLAIM?
To make a claim that falls under the Limited Warranty stated above, please contact ROYBI's support team at roybirobot.com/support.

Other limitations: No vendor, seller, authorized reseller, employee, or representative of ROYBI® or its affiliates or any third party is authorized to make any adjustment, extension, or addition to this provided Limited Warranty, if any term of this Limited Warranty is held to be legal, unenforceable, or invalid, the remaining terms of this Limited Warranty will remain in full force and effect.

State, province, territory, and other laws applicable to you: This warranty gives you specific legal rights, and you may also have other rights that vary from jurisdiction to jurisdiction.

This Limited Warranty is provided by ROYBI INC., a Delaware corporation whose principal place of business is at 2672 Bayshore Pkwy, Suite 1000 Mountain View, CA 94043.

FCC CAUTION:

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in particular installations. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
—Reorient or relocate the receiving antenna.
—Increase the separation between the equipment and receiver.
—Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
—Consult the dealer or an experienced radio/TV technician for help.

This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

ISED WARNING:
This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:
(1) this device may not cause interference, and
(2) this device must accept any interference, including interference that may cause undesired operation of the device.

Designed with love in California

2672 Bayshore Pkwy, Ste 1000 Mountain View, CA 94043 USA
+1.415.715.9394

FCC ID: 2AUPSRERAMR1
IC: 25496-RERERAMR1
Model R1
DC 5V 2000mA

Not suitable for children under age 3 without direct supervision.

Do not put the device under direct sun or next to heat generating devices.

Contains Lithium Polymer batteries. Avoid direct sun exposure and heat.

Avoid chewing on the silicon accessories as this may break the silicon into small pieces, creating a choking hazard. Roybi Robot has a camera privacy cover that is a small part and may create choking hazard. Keep away from children under age 3. Do not consume the silicon accessories.

Operation of this device in the band 5150-5250 MHz is restricted to indoor use only.

—Consult the dealer or an experienced radio/TV technician for help.

This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

ISED WARNING:
This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:
(1) this device may not cause interference, and
(2) this device must accept any interference, including interference that may cause undesired operation of the device.

2672 Bayshore Pkwy, Ste 1000 Mountain View, CA 94043 USA
+1.415.715.9394

FCC ID: 2AUPSRERAMR1
IC: 25496-RERERAMR1
Model R1
DC 5V 2000mA

ISED WARNING:

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in particular installations. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
—Reorient or relocate the receiving antenna.
—Increase the separation between the equipment and receiver.
—Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
—Consult the dealer or an experienced radio/TV technician for help.

This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.
