

Appendix 4. Sample Label & Location

Label Information

The following is a sample copy of the label that will be placed on Bottom side of the product.

The FCC ID and IC are marked in the product label with model No. and below information is visible printed on the label.

Label location

The label shown above shall be permanently affixed at a conspicuous location on the device and be readily visible to the user at the time purchase. The device is so small that it is not practicable to place the statement specified under 15.19 statement request, the information required by this paragraph shall be placed in a Prominent location in the User's Manual.

The label is located here.
