LEGAL & COMPLIANCE

Binding Arbitration Agreement; Class Action Waiver (U.S. Residents Only)

UNLESS YOU HAVE OPTED OUT AS DESCRIBED BELOW, ANY CONTROVERSY OR CLAIM RELATING IN ANY WAY TO YOUR PRODUCT, INCLUDING ANY CONTROVERSY OR CLAIM ARISING OUT OF OR RELATING TO THE WARRANTY, A BREACH OF THE WARRANTY, OR THE PRODUCT'S SALE, CONDITION OR PERFORMANCE, WILL BE SUBJECT TO BINDING ARBITRATION under the Federal Arbitration Act ("FAA"). This includes claims based on contract, tort, equity, statute, or otherwise, as well as claims regarding the scope and enforceability of this provision. A single Arbitrator shall decide all claims and shall render a final, written decision. You may choose the American Arbitration Association ("AAA"), Judicial Arbitration and Mediation Service ("JAMS"), or other similar arbitration service provider acceptable to Neat to administer the arbitration. Consistent with the FAA, the appropriate AAA rules, JAMS rules, or other service provider rules shall apply, as determined by the Arbitrator. For AAA and JAMS, these rules are found at www.adr.org and www.jamsadr.com. However, at the election of any party, a court of competent jurisdiction may adjudicate any request for injunctive relief, but all other claims will first be decided by arbitration under this Agreement. This arbitration provision may be severed or modified if necessary, to render it enforceable.

Each party to the arbitration shall pay his, her, or its own fees and costs of arbitration. If you cannot afford your arbitration fees and costs, you may apply for a waiver under the relevant rules.

The dispute will be governed by the laws of the state or territory in which you resided at the time of your purchase (if in the United States). The place of arbitration will be New York, New York or such other location as may be agreed to by the parties to the arbitration. The arbitrator will have no authority to award punitive or other damages not measured by the prevailing party's actual damages, except as may be required by statute. The arbitrator will not award consequential damages, and any award will be limited to monetary damages. Judgment on the award rendered by the arbitrator will be binding and final, except for any right of appeal provided by the Federal Arbitration Act and may be entered in any court having jurisdiction. Except as may be required by law, neither you nor an arbitrator may disclose the existence, content, or results of any arbitration under this warranty without the prior written consent of you and Neat.

ANY DISPUTE, WHETHER IN ARBITRATION, IN COURT, OR OTHERWISE, WILL BE CONDUCTED SOLELY ON AN INDIVIDUAL BASIS. AND YOU AGREE THAT NO PARTY WILL HAVE THE RIGHT OR AUTHORITY FOR ANY DISPUTE TO BE ARBITRATED AS A CLASS ACTION, OR IN ANY OTHER PROCEEDING IN WHICH EITHER PARTY ACTS OR PROPOSES TO ACT IN A REPRESENTATIVE CAPACITY ON BEHALF OF A CLASS OF INDIVIDUALS OR CONSUMERS. NO ARBITRATION OR PROCEEDING WILL BE JOINED, CONSOLIDATED, OR COMBINED WITH ANOTHER ARBITRATION OR PROCEEDING WITHOUT THE PRIOR WRITTEN CONSENT OF ALL PARTIES TO ANY SUCH ARBITRATION OR PROCEEDING.

IF YOU DO NOT WISH TO BE BOUND BY THE BINDING ARBITRATION AGREEMENT AND CLASS ACTION WAIVER, THEN: (1) you must notify in writing within sixty (60) days of the date that you purchased the product; (2) your written notification must be mailed to Neat at 110 E 42nd St, Ste 810 New York, NY 10017. Attn: Legal Department; and (3) your written notification must include (a) your name, (b) your address, (c) the date you purchased the product, and (d) a clear statement that you wish to opt out of the binding arbitration agreement and class action waiver.

Wiring the Mains Power Supply Plug (UK Only)

IMPORTANT NOTICE

The mains lead on this equipment is supplied with a molded plug incorporating a fuse. The value of the fuse is indicated on the pin face of the plug and, if it requires replacing, a fuse approved to BS1362 of the same rating must be used. Never use the plug with the fuse cover omitted if the cover is detachable. If a replacement fuse cover is required, it must be of the same color as the pin face of the plug. Replacement covers are available from Neat. If the fitted plug is not suitable for the power points in your house or the cable is not long enough to reach a power point, you should obtain a suitable safety approved extension lead or consult your dealer for assistance. However, if there is no alternative but to cut off the plug, remove the fuse and then safely dispose of the plug. Do NOT connect the plug to a mains socket as there is a risk of shock hazard from the bare flexible cord.

IMPORTANT

The wires in the mains lead are colored in accordance with the following code: BLUE - NEUTRAL BROWN - LIVE. As these colors may not correspond to the colored markings identifying the terminals in your plug, proceed as follows : the wire colored BLUE must be connected to the terminal marked with the letter N or colored BLUE or BLACK. The wire colored BROWN must be connected to the terminal marked with the letter L or colored BROWN or RED.

WARNING

DO NOT CONNECT EITHER WIRE TO THE EARTH TERMINAL, WHICH IS MARKED WITH THE LETTER E OR BY THE EARTH SYMBOL, OR COLORED GREEN OR GREEN AND YELLOW
