FCC STATEMENT :

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.
Increase the separation between the equipment and receiver.
Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
Consult the dealer or an experienced radio/TV technician for help.

RF warning statement:

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

- English: "

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:

(1) this device may not cause interference, and
(2) this device must accept any interference, including interference that may cause undesired operation of the device."

- French: " Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :
(1) l'appareil ne doit pas produire de brouillage, et
(2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement."

FR

Salut Créateur de Jeux. Bienvenue dans ton Games Studio. C'est ici que tu vas jouer et inventer tes propres jeux. Ton premier défi, c'est d'allumer l'Arcade Coder et le connecter à l'app Games Studio. C'est parti !

Commence ici.
1. Allume l'interrupteur sur le côté
2. Observe-le s'allumer.
3. Connecte-le au Games Studio
Télécharge le Games Studio ici.

TR

Selam oyun yapıcısı Games Studio'ya hoşgeldin. Oyunlarını yaratacağın ve oynayacağın yer burası. İlk görevin Arcade Coder'i açmak ve Games Studio uygulamasına bağlamak. Hadi başlayalım!

Buradan başla:
1. Açma düğmesini yana çevir.
2. Işığın açılmasını bekle.
3. Games Studio'ya bağla.
Games Studio'yu buraya indir.

DE

Hallo Ihr Spielermacher. Willkommen zu Games Studio. Hier wirst du spielen und deine eigenen Spiele erfinden. Deine erste Herausforderung ist es, den Arcade Coder einzuschalten und ihn mit der Game Studio App zu verbinden. Los geht's!

Beginne hier.
1. Betätige den seitlichen Schalter
2. Du siehst, es leuchtet.
3. Verbinde ihn mit dem Games Studio. Lade Games Studio hier herunter.

SV

Hej på dig speltillverkare! Välkommen till din spelstudio. Det är här du kommer spela och hitta på egna spel. Din första utmaning är att sätta på Arcade Coder och koppla den till Games Studio-appen. Nu kör vi!

Börja här
1. Knäpp på knappen på sidan
2. Se hur det lyser upp
3. Koppla till Games Studio
Ladda ner Games Studio här

ES

Hola, creador de juegos. Te damos la bienvenida a Games Studio. Aquí podrás jugar e inventar tus propios juegos. Tu primer reto será encender Arcade Coder y conectarlo con la aplicación Games Studio. ¡Adelante!

Empieza aquí.
1. Desliza el interruptor lateralmente.
2. Se encenderá.
3. Conéctalo con Games Studio.
Descarga Games Studio aquí.

AR

بإحسان إليك، أهلاً بك في ألعابك Games Studio. هنا يمكنك اللعب وإبداع ألعابك الخاصة. أول تحدٍ لك هو تشغيل Arcade Coder وتوصيله بتطبيق Games Studio. متقدماً!

ابدأ من هنا:
1. انقل المفتاح على الجانب.
2. ستضيء.
3. اتصل بـ Games Studio.
تحميل Games Studio هنا

IT

Ciao, creatore di giochi. Benvenuto nel Games Studio. Qui potrai giocare e inventare i tuoi propri giochi. La prima sfida consiste nell'accendere l'Arcade Coder e collegarlo alla app Games Studio. Iniziamo!

Iniziamo da qui.
1. Aziona il pulsante sul lato.
2. Guarda come si illumina.
3. Collegalo al Games Studio.
Scarica il Games Studio qui.
