LABEL LOCATION JUSTIFICATION LETTER

TO WHOM IT MAY CONCERN:

We place the FCC label in the ink cartridge compartment due to below reasons:

1. When the user opens the ink cartridge compartment and installs the ink cartridge, they can see the FCC label; otherwise, the device will not function.
2. The device is separated from the ink cartridge and the casing in the packaging box. Users can view the FCC ID information when purchasing.
3. The external labels of the device should be adhered according to the design requirements; otherwise, they are prone to being removed or damaged.
4. The user manual will display the FCC ID and guide users on how to find the FCC ID information.
5. The FCC ID number will be indicated on the outer packaging box.

Sincerely,

Signatory
