Solder Board-Component View 16	 A photograph of a small, rectangular printed circuit board (PCB) component, likely a solder board, placed on a blue textured surface. The component is positioned next to a black L-shaped ruler with white markings in millimeters. The ruler shows dimensions of approximately 100mm by 100mm. The PCB is dark green with various electronic components, including a USB connector on one side and several small surface-mount components.
Antenna View 1	 Bluetooth Ant. A photograph of a small, rectangular printed circuit board (PCB) component, likely an antenna, placed on a blue textured surface. The component is positioned next to a black L-shaped ruler with white markings in millimeters. The ruler shows dimensions of approximately 100mm by 100mm. The PCB is dark green with several yellow circular components and a small rectangular component. A red box highlights a specific area on the PCB, and a red line points from the text "Bluetooth Ant." to this area.
