

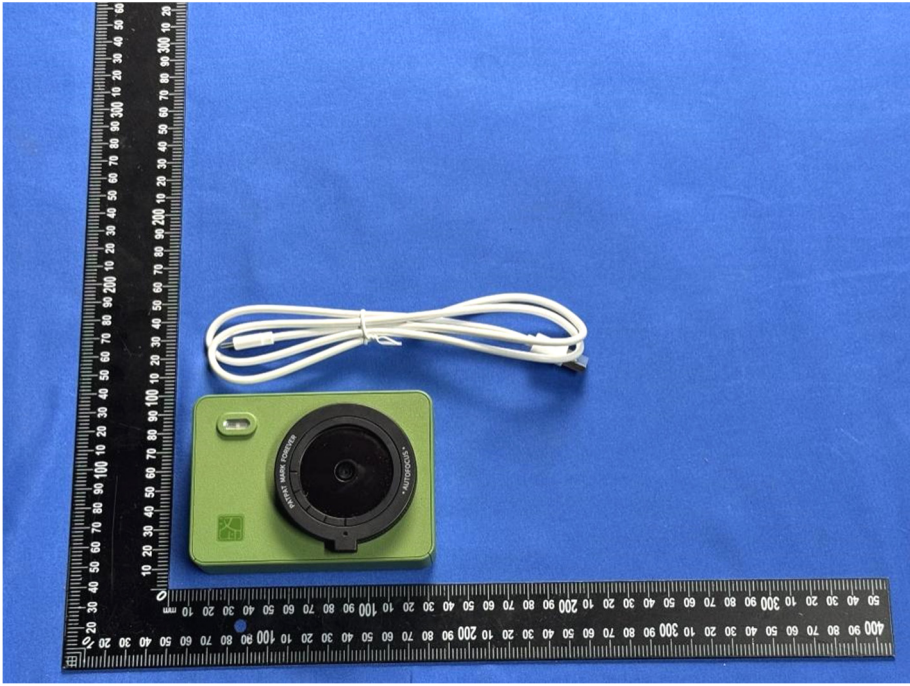

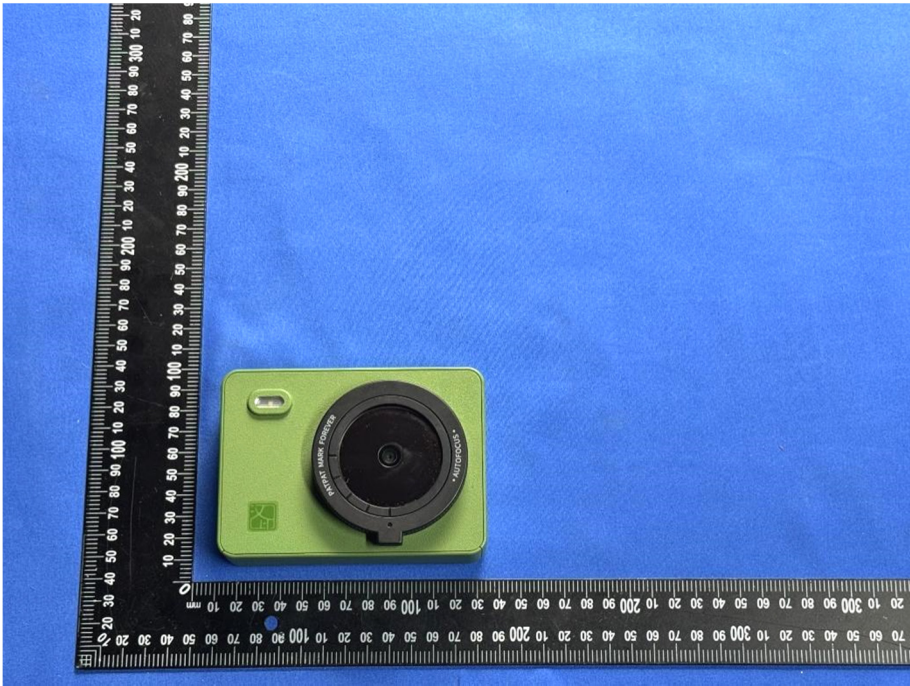

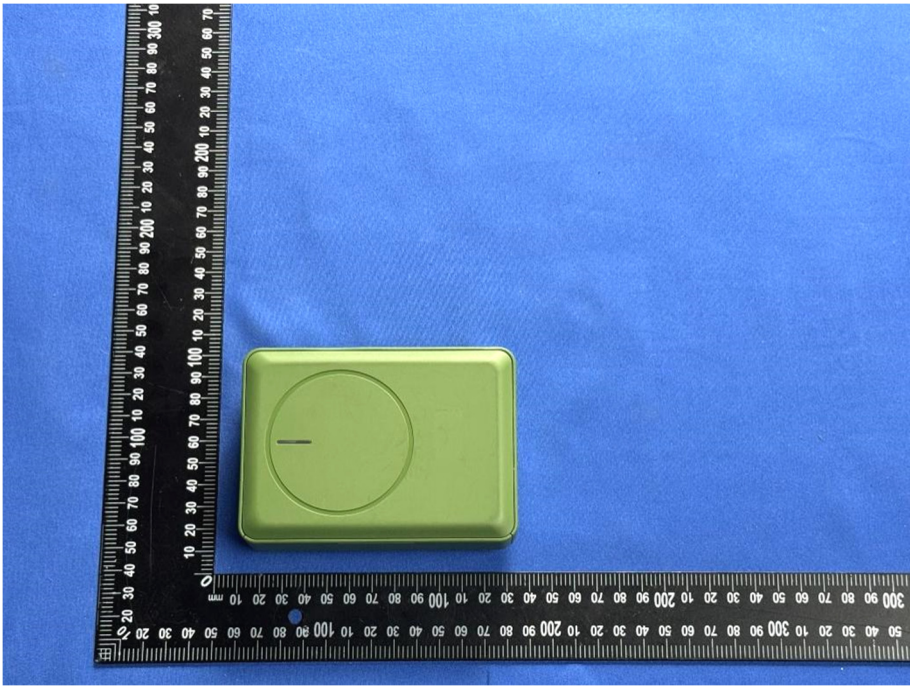

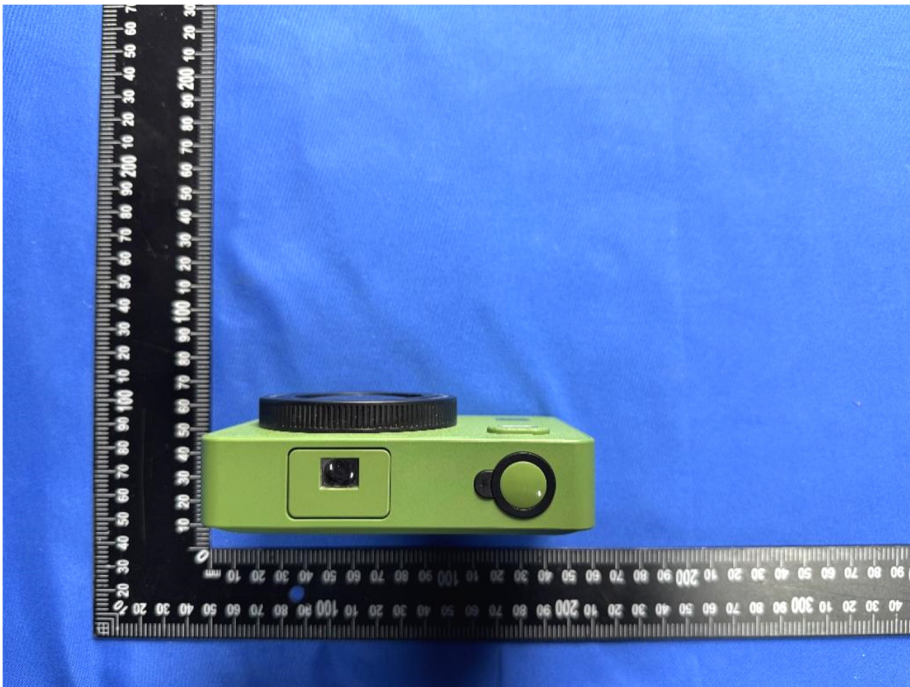

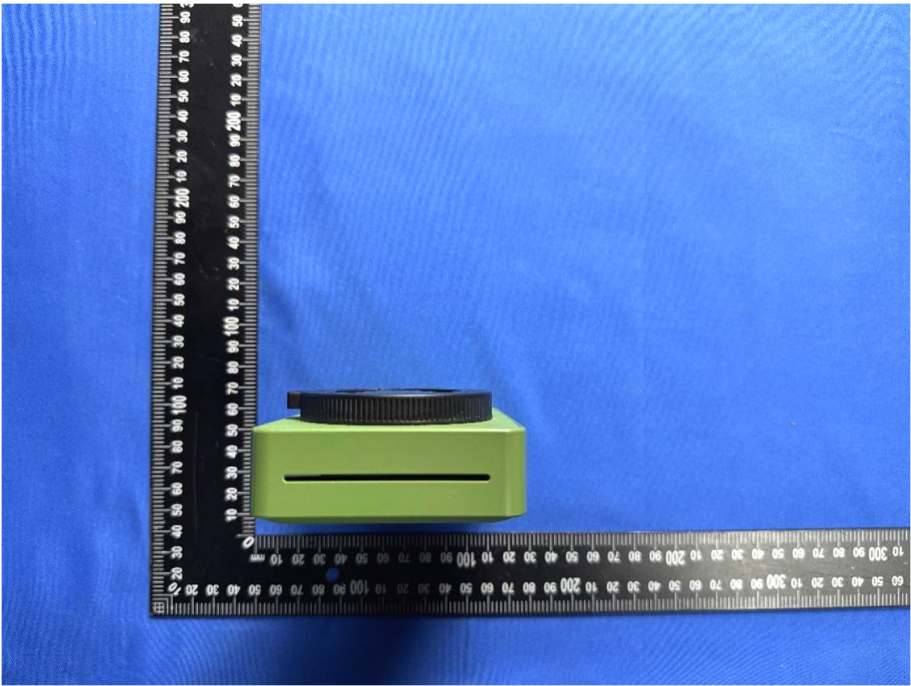

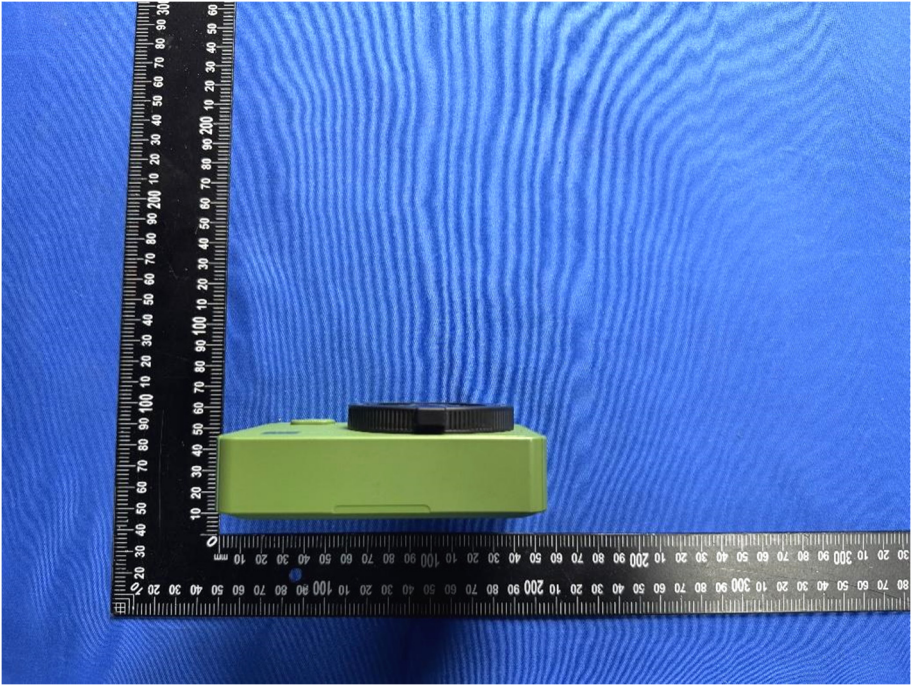

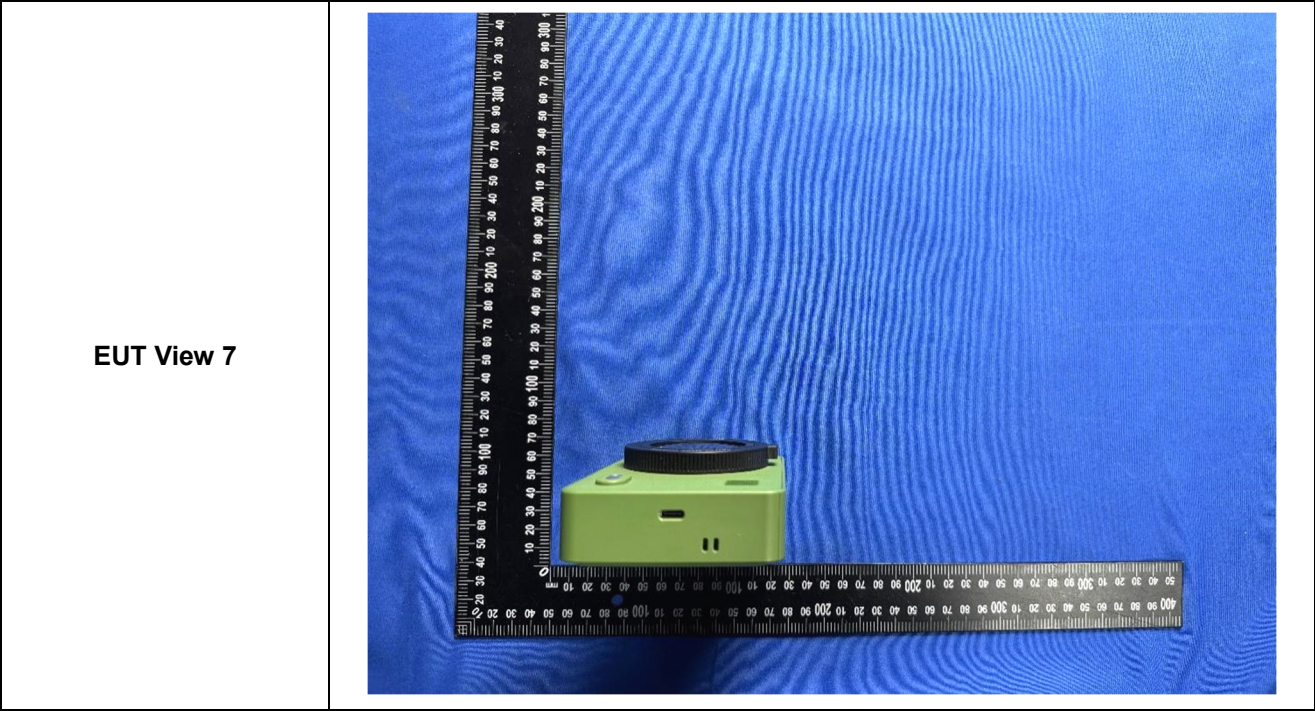

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

Model: HCP-2TS24G, Z5, HPRT Z5

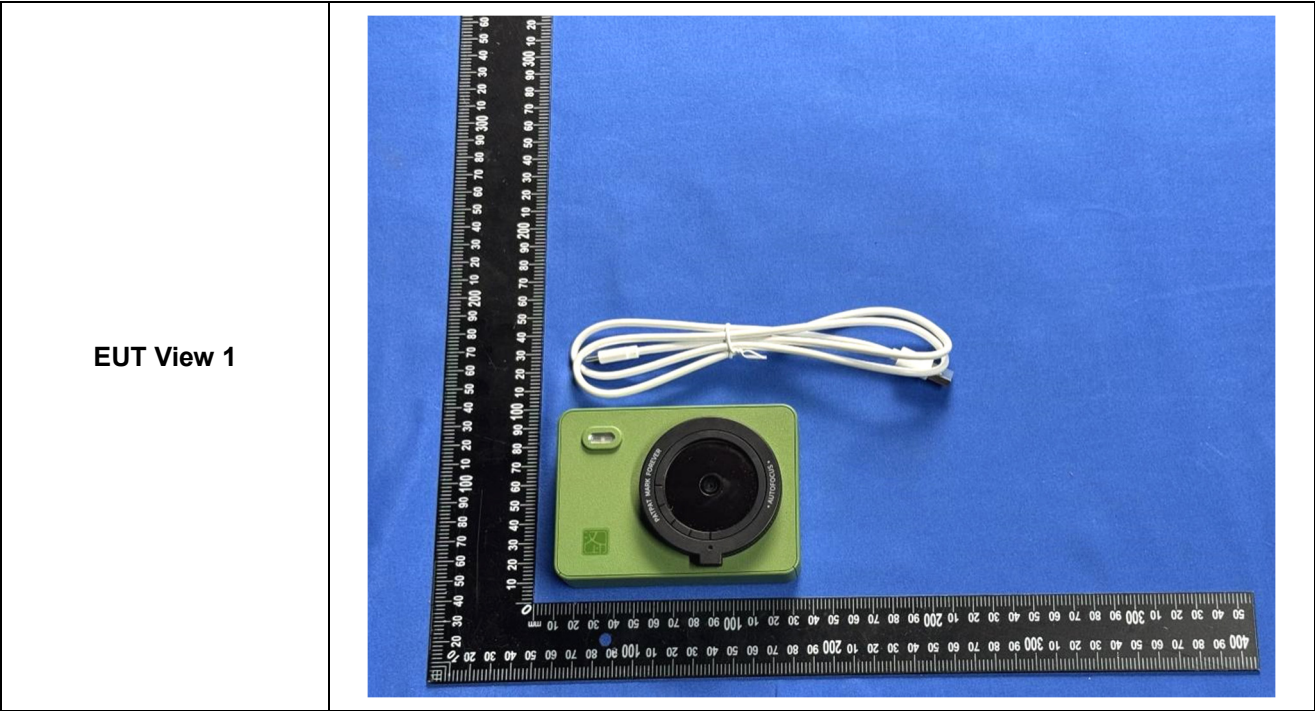

EUT View 1	 A photograph of a green square electronic device (EUT) with a black lens and a white cable, placed on a blue background next to a ruler. The ruler is positioned vertically on the left and horizontally at the bottom, showing measurements in centimeters. The device has a small green logo on the bottom left corner.
EUT View 2	 A photograph of the same green square electronic device (EUT) with a black lens, placed on a blue background next to a ruler. The ruler is positioned vertically on the left and horizontally at the bottom, showing measurements in centimeters. The device has a small green logo on the bottom left corner.

Model: HCP-2TS25E (1#), Z5, HPRT Z5

EUT View 2	 A photograph of a green square electronic component, likely a camera module, placed on a blue surface. A black ruler with white markings is positioned vertically to the left of the component. The component features a large circular lens with a black frame. Inside the frame, the text "AUTOFOCUS" is visible. A small white mark is located near the top left corner of the component. The ruler shows measurements in millimeters and centimeters.
EUT View 3	 A photograph of the same green square electronic component from a different angle. The component is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters. The component has a circular lens with a black frame. A small white mark is visible near the top left corner of the component.
