Solder Board-Component View 6	 A photograph of a small, rectangular solder board component. The component is orange-brown with various electronic components and a large, square, gold-colored pad in the center. It is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10).
Solder Board-Component View 7	 A photograph of a rectangular solder board component, likely a battery, with a yellow and black label. The label contains technical specifications and safety warnings in Chinese and English. The component is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 70) and centimeters (0 to 10).
