

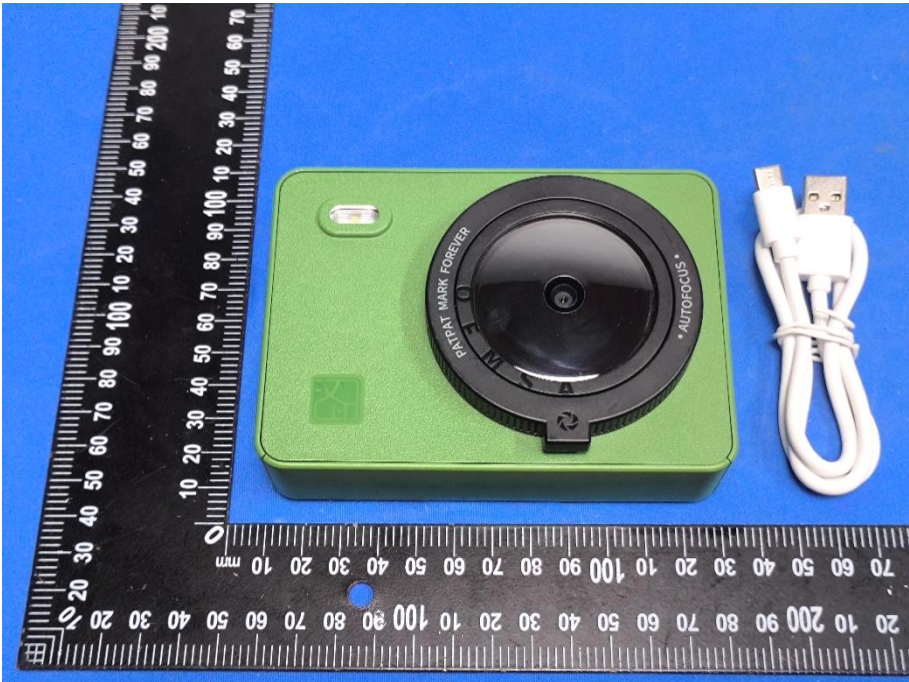

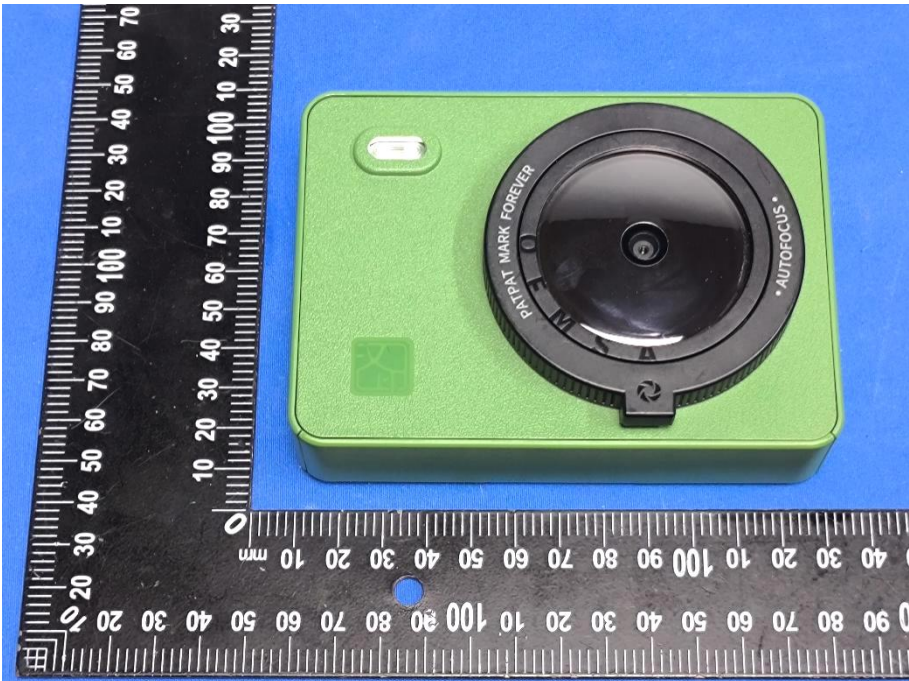

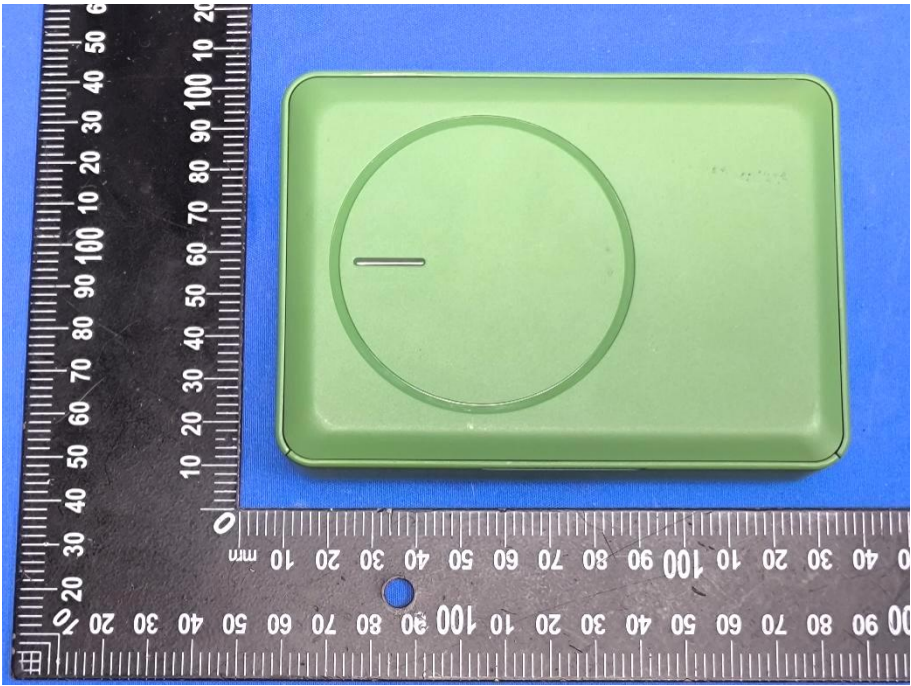

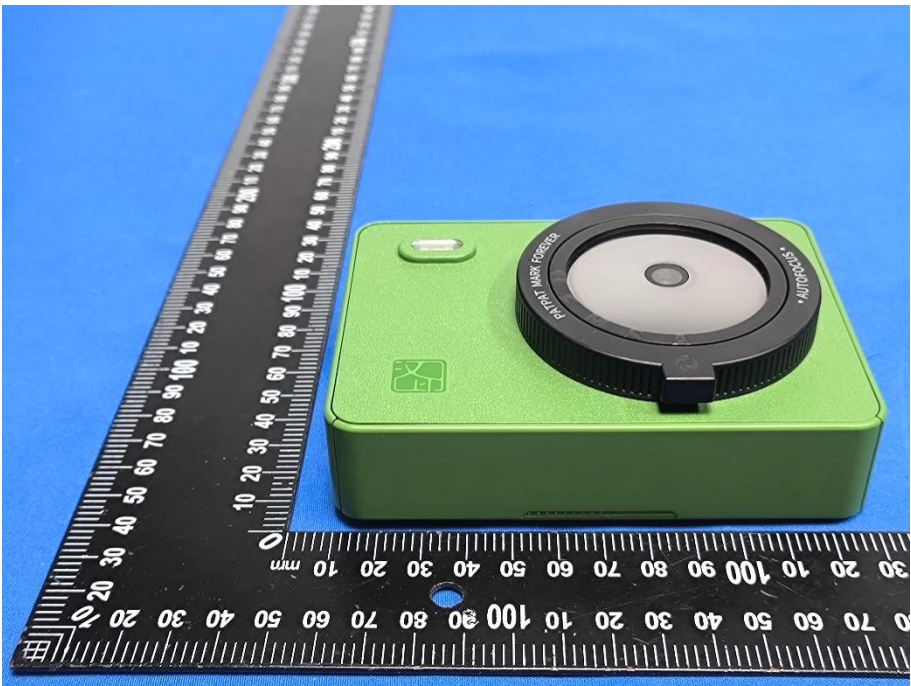

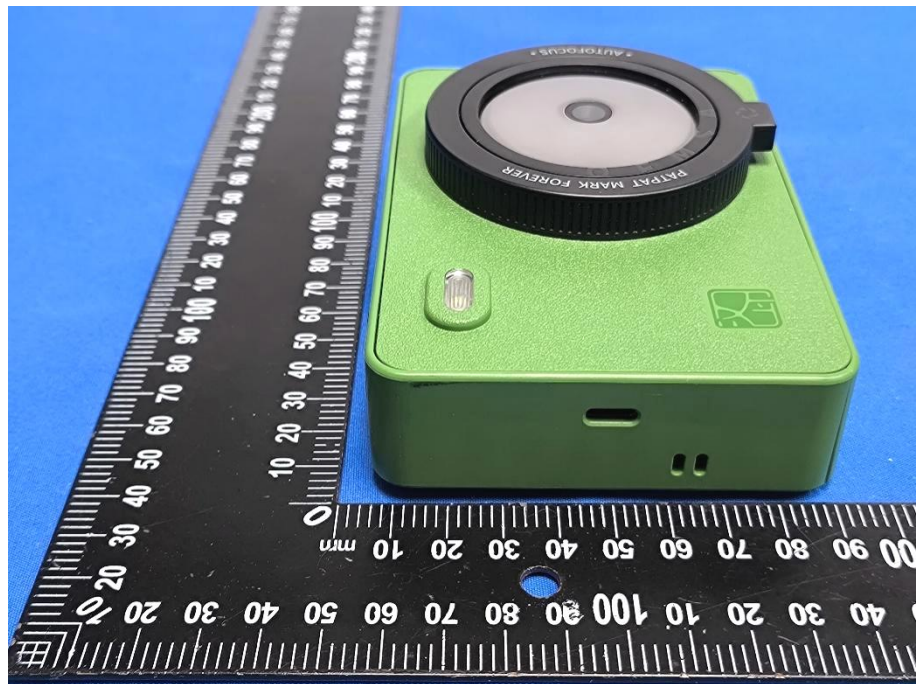

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

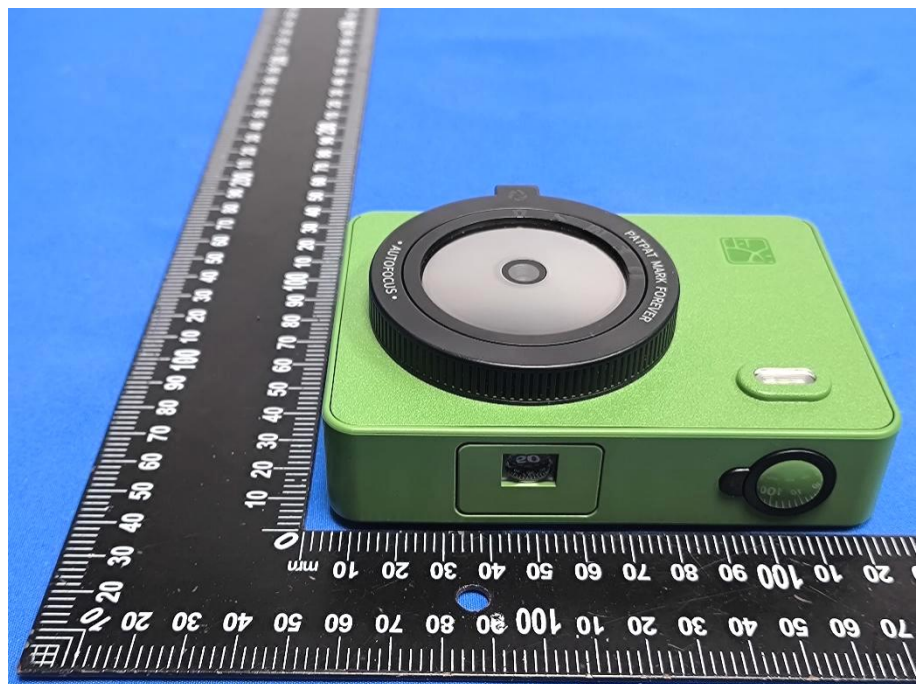

EUT View 1	 A photograph of a green square electronic device (EUT) with a large black lens in the center. The lens has "PATENT MARK FOREVER" and "AUTOFOCUS" printed on it. A white USB cable is coiled next to the device. A black ruler with white markings is placed to the left of the device for scale. The background is blue.
EUT View 2	 A photograph of the same green square electronic device (EUT) from a slightly different angle. The large black lens is prominent, with "PATENT MARK FOREVER" and "AUTOFOCUS" visible. A white USB cable is coiled next to it. A black ruler with white markings is placed to the left for scale. The background is blue.

EUT View 3	 A photograph of a green square electronic unit (EUT) with rounded corners. On its top surface, there is a circular recessed area containing a small horizontal silver line. The device is placed on a blue background next to a black L-shaped ruler for scale. The ruler has white markings in millimeters and centimeters.
EUT View 4	 A photograph of the same green square electronic unit from a different angle. This view shows a circular lens or sensor on the top surface, surrounded by a black ring with the text "PATENT MARK FOR PROTECT". A small rectangular feature is visible on the top left of the device. It is placed on a blue background next to a black L-shaped ruler for scale.
