| <p>EUT View 5</p> |  A side view of a white, rectangular electronic device. The device has a circular button on its top surface. It is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.                                                             |
| <p>EUT View 6</p> |  A top view of the white, rectangular electronic device. The device is shown from above, highlighting its rectangular shape and the circular button on the top surface. It is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters. |

|                   |                                                                                     |
