

ANNEX

EXHIBIT 1 - PRODUCT LABELING

Proposed FCC ID Label Format

Specifications: The product is a mouth guard, due to the usage of the product, a label on the product is not feasible. Instead, the product label is in the product manual and in the black pelican case. The mouth guard will be packaged in the Solo Case (the smaller black charging case), and then will be packaged in the black pelican case.

Proposed Label Location on EUT

FCC ID Label Location	Label in Pelican Case	Label in Product Manual
