External Labeling Request

To whom it may concern,

Based on the guidance of KDB 784784 D01, Section 3, Prevent Biometrics, has determined that external labeling on their product would not be practical based on the nature and usage of the product (the product is a mouth guard). Due to the nature and usage of the product, it is impracticable to put a label on the product.

The product is packaged in the Solo Case (small black charging case), then the cases are packaged into the pelican case. The labeling of the product on the pelican case is pictured below (green arrow pointed):

In addition, the labeling disclosure may also be found in the manual as pictured below:

Manufacturer's Information for User Testing and Approval of this Product

The Prevent V2.0 Custom, Prevent V2.0 Hybrid, Prevent V2.3 Custom, Prevent V2.3 Hybrid mouthguard have been tested at SATRA Technology Centre, Kettering, UK, and conforms to the technical specification SATRA M3:2011 Issue 3. It is CE marked as a Category II product in accordance with the Essential Health and Safety requirements of the Personal Protective Equipment Regulation (EU) 2016/425 (including as amended to apply in Great Britain).

CE certification by UK Approved Body, SATRA Technology Centre, Wyndham Way, Kettering, Northamptonshire NN16 8SD, Approved Body 0321.

Sincerely,
