Dear Sir/Madam,

I am writing on behalf of AB Circle Limited to request acceptance of the labeling proposal described below for CIR415A bearing FCC identifier 2AUVM-CIR415A.

The subject CIR415A models as shown in figure 1, authorized under FCC Part 15 Class C

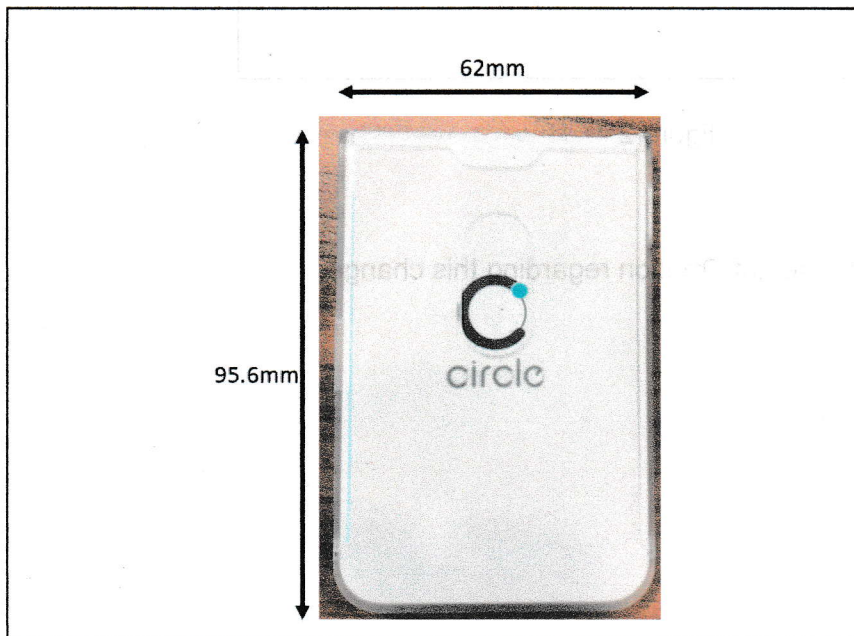

figure 1

AB Circle Limited would like to propose to have the FCC statement written in the product user manual, and only have the FCC ID number on the product itself as shown in figure 2.

This is due to the lack of suitable areas on the device to print the FCC statement.

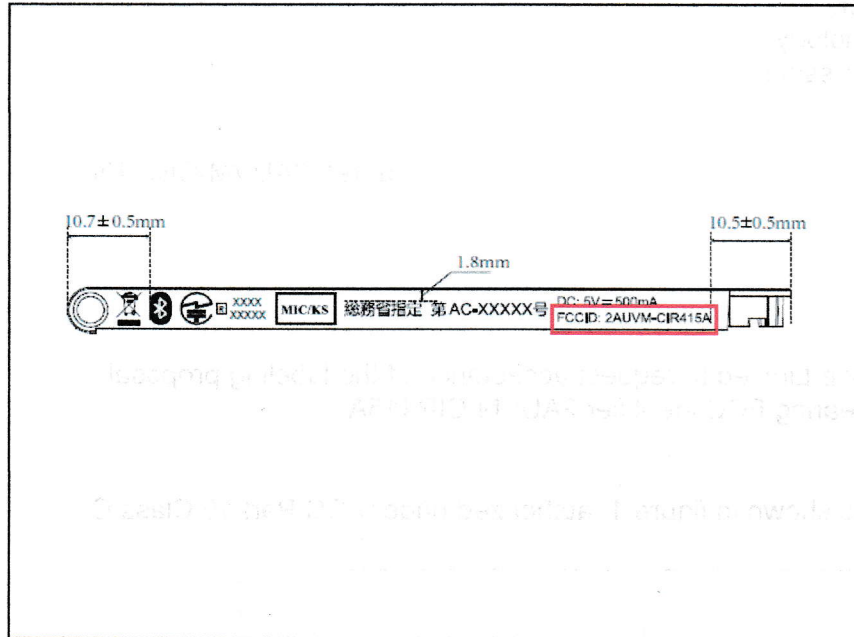

figure 2

Please contact me if you need further information regarding this change.

Yours sincerely,

AB Circle Limited

Jonathan Tam
