USER MANUAL

Diagram illustrating the controls and features of the Philips RCD2000 portable CD player:

- Micro playing mode
- Current document (last track), Repeat
- Volume + Next track
- HighPass
- Volume- Previous track
- Play/Pause
- Indicator Light
- ThruArt
- Repeat (RPT)
- Hi-Matrix Solid state
- Yellow light
- Type-C charging port

TO BROADCAST MODE?

1. Tap once (Host speaker)

2. Tap twice (Vice speaker)

The diagram illustrates the steps to switch to Broadcast Mode. It shows two speakers: a Host speaker and a Vice speaker. The Host speaker is tapped once, and the Vice speaker is tapped twice. Below the speakers, a hand is shown holding a smartphone with various app icons floating around it, representing the control interface.

ENGINEERING
 The following questions are taken from the Engineering Interview Questions book by Thomas Nelson. The book contains 1000 questions and answers on a wide range of engineering subjects. It is a very useful book for anyone preparing for an engineering interview. It is available from Amazon.co.uk for £14.99 (hardback) or £9.99 (paperback).
