

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	
EUT View 2	

EUT View 3	 A photograph showing a white, circular electronic unit (EUT) with a coiled white cable attached. The cable ends in a USB connector. The device is placed on a blue textured surface. A black ruler with white markings is positioned horizontally below the device, showing measurements in centimeters. The ruler is marked from 0 to 100 cm, with the device's diameter spanning approximately 40 cm.
EUT View 4	 A photograph showing the same white, circular electronic unit (EUT) with a coiled white cable attached. The cable ends in a USB connector. The device is placed on a blue textured surface. A black ruler with white markings is positioned horizontally below the device, showing measurements in centimeters. The ruler is marked from 0 to 100 cm, with the device's diameter spanning approximately 40 cm.

EUT View 5	 A photograph showing a white, circular electronic unit (EUT) with a cable attached. The unit is positioned on a blue textured surface. A black ruler with white markings is placed horizontally below the unit, showing measurements in centimeters. The cable is coiled to the right of the unit.
EUT View 6	 A photograph showing the same white, circular electronic unit from a side-on perspective. The unit is on a blue textured surface. A black ruler with white markings is placed horizontally below it. The cable is coiled to the left of the unit.
