

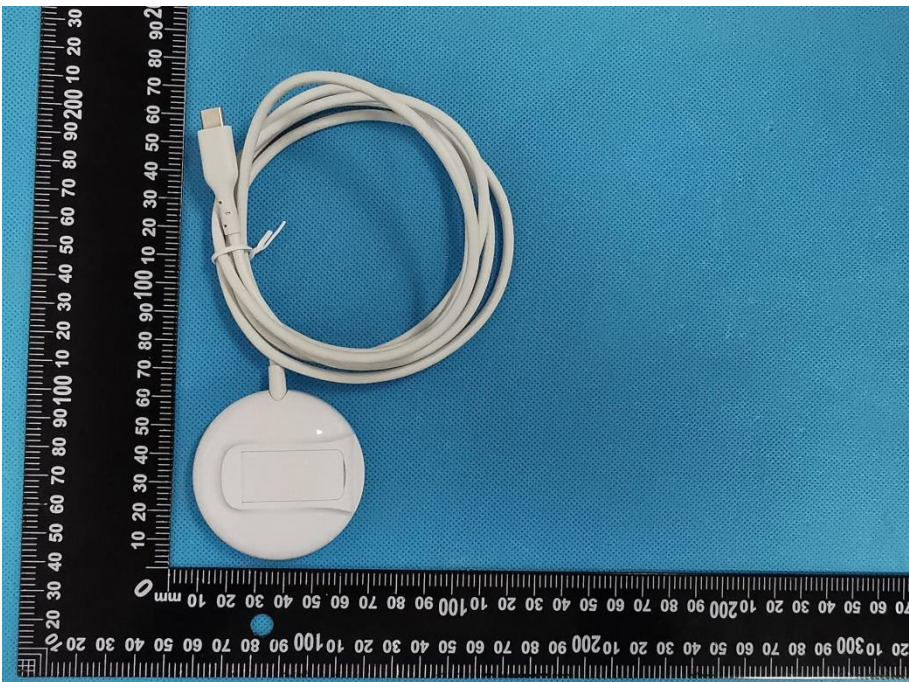

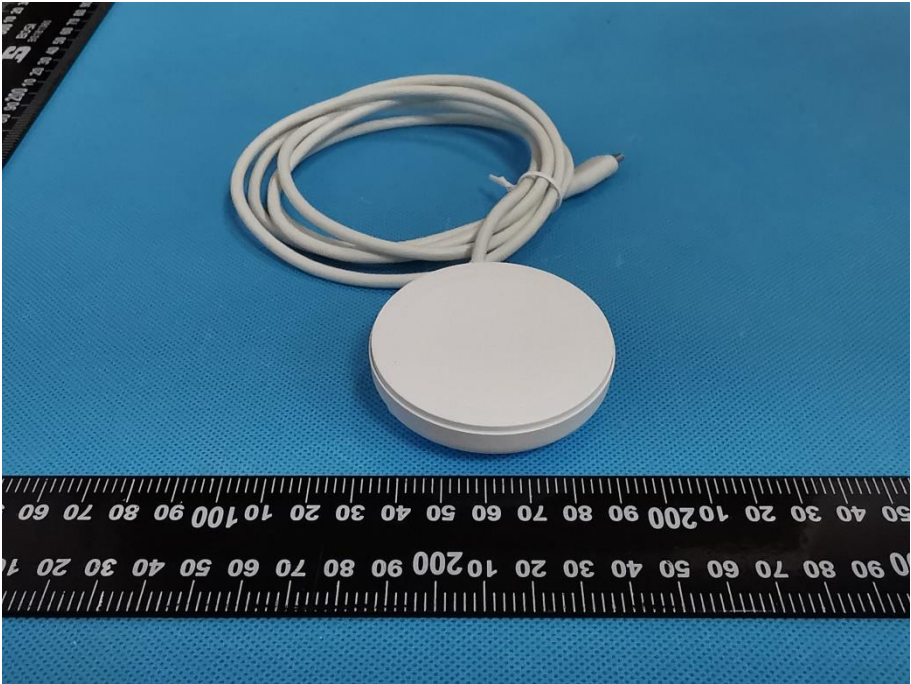

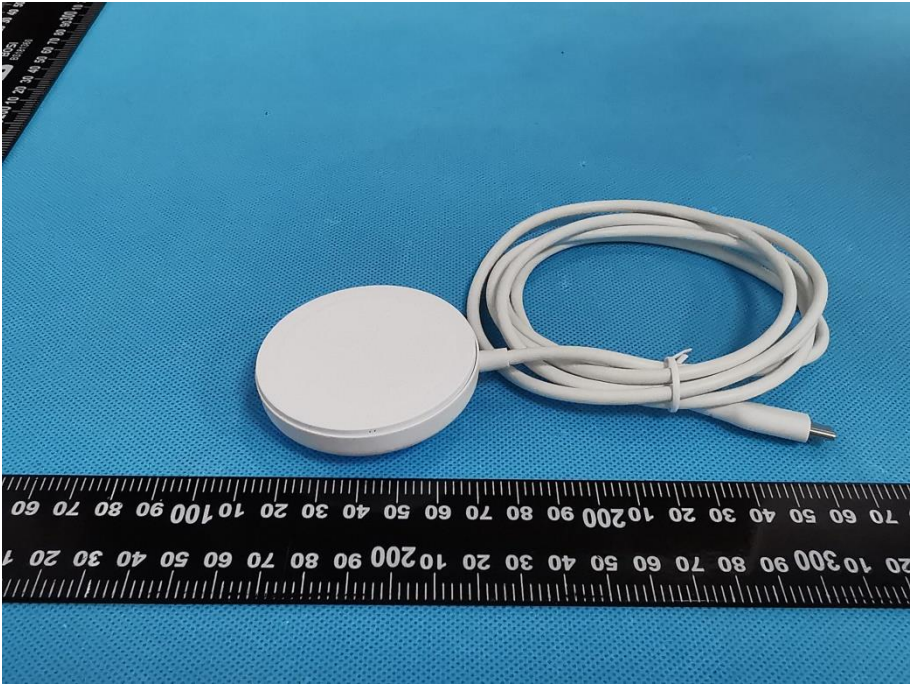

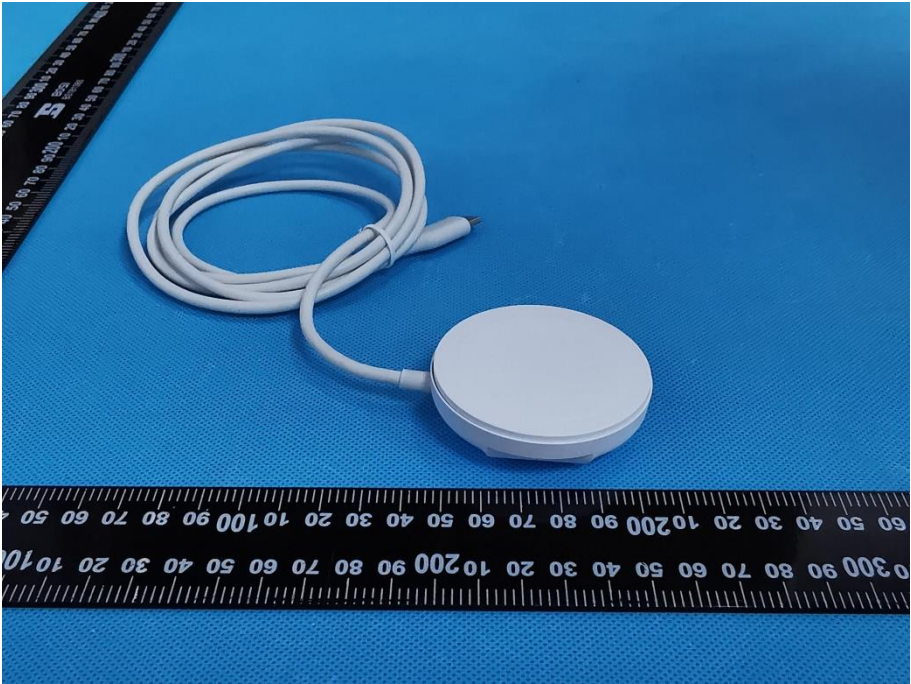

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	
EUT View 2	

EUT View 3	 A photograph showing a white, circular electronic unit (EUT) with a coiled white cable. The unit is positioned on a blue textured surface. A black ruler with white markings is placed horizontally below the unit, showing measurements in centimeters. The unit is approximately 5 cm in diameter. The cable is coiled and extends from the top of the unit.
EUT View 4	 A photograph showing the same white, circular electronic unit (EUT) with a coiled white cable, viewed from a different angle. The unit is positioned on a blue textured surface. A black ruler with white markings is placed horizontally below the unit, showing measurements in centimeters. The unit is approximately 5 cm in diameter. The cable is coiled and extends from the side of the unit.

EUT View 5	 A photograph showing a white, circular electronic unit (EUT) with a cable attached. The cable is coiled and ends in a connector. A black ruler with white markings is placed below the device for scale. The background is a blue textured surface.
EUT View 6	 A photograph showing the same white, circular electronic unit (EUT) from a different angle. The cable is coiled and ends in a connector. A black ruler with white markings is placed below the device for scale. The background is a blue textured surface.
