## Request for Special Confidentiality – FCC

**FCC ID:** 2AV57GDSBA1

Pursuant to FCC 47 CFR [0.457\(d\)\(1\)\(ii\)](#) and [0.459](#) and FCC guidance published in [KDB 726920](#), we hereby request confidential treatment of information accompanying this application as outlined below.

We request the exhibits selected below as **long term confidential (LTC)** be withheld from public view permanently:

| Selection <sup>1</sup>              | Exhibit name    |
|-------------------------------------|-----------------|
| <input checked="" type="checkbox"/> | User's Manual   |
| <input checked="" type="checkbox"/> | Internal Photos |

Our user manual contains proprietary technical content intended exclusively for professional technicians operating under a Non-Disclosure Agreement (NDA). Distribution or sale of the manual must be contingent upon the recipient's agreement to an NDA that strictly prohibits the disclosure of its contents. Furthermore, the device's internal circuitry and components are not accessible to end users and are designed to be serviced solely by authorized technicians under NDA. All product sales must be governed by an NDA that protects proprietary information, including internal photographs.

A sample NDA is included with this application.

Our company has made substantial investments in the development of this innovative product, which represents a first-of-its-kind solution in the industry. Public disclosure of the technical details would compromise our competitive edge and could result in significant financial harm. Safeguarding the confidentiality of our design is critical to protecting our intellectual property.

The information provided includes trade secrets and proprietary data not customarily disclosed to the public. Unauthorized disclosure could adversely impact our business and provide competitors with an unfair advantage.

Sincerely,

Signature:
