Internal Photos

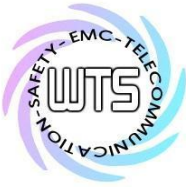

This photograph shows the PL9070UB/B-CPM-v1.0 camera module PCB, a battery, and a ribbon cable. The PCB is green and populated with various components, including a camera sensor, a microcontroller, and various passive components. A white box highlights a specific area on the PCB. The battery is a small, rectangular, yellow and white unit. The ribbon cable is a flat, flexible cable with blue and white markings. A ruler is placed below the components for scale.
