

Appendix II

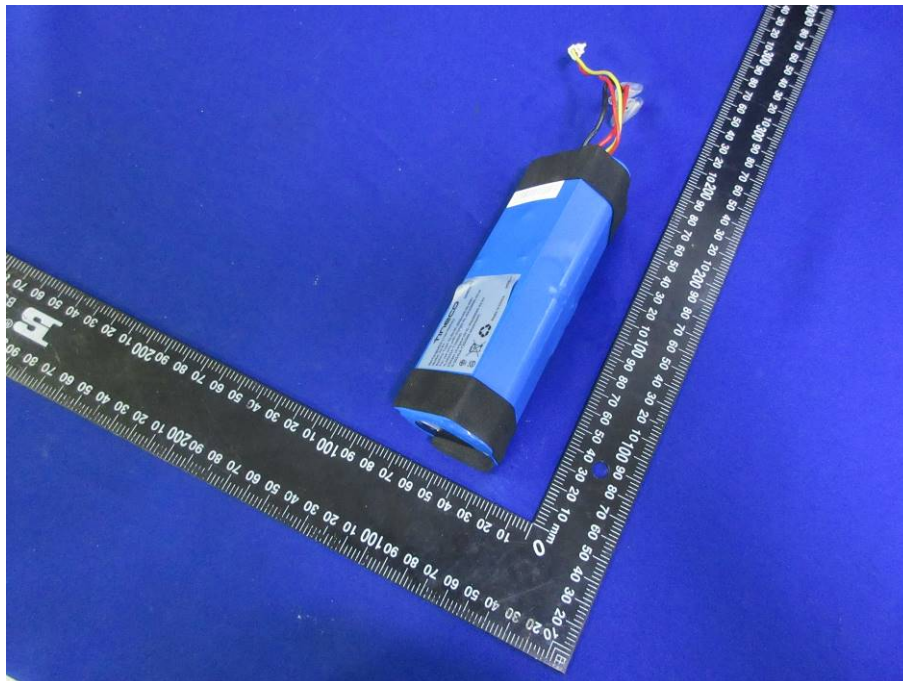

Internal Photographs

A photograph showing the disassembled components of a handheld electronic device, likely a barcode scanner, laid out on a blue surface next to a wooden ruler. The components include: a long, black, rectangular casing; a small, black, rectangular component with a lens; a black, cylindrical component with a lens; and the main body of the device, which is black and features a blue battery pack, a green circuit board, and various colored wires. The ruler is placed horizontally at the bottom of the image, and the blue surface is the background.
