RE: Label Location for FCC application 2AVAZ-CFAS-G5-US

The product label for the cabinet is installed on the inside of the door.
The label has been tested to meet the standards of IEC 62368-1:2018

Figure 1 shows the location of the product label on the inside of the cabinet. Please refer to exhibit 21558-C Label, compliance Cintas, CMKE.pdf; and 21558-D Label, compliance Cintas, CMKE.pdf for label contents details.

Figure 1: Inside layout of cabinet showing product label location.
