Dear Sir or Madam:

We *Molex, LLC* hereby declare that product: *TrackLabel*, model: 135560002 is electrically identical with the same electromagnetic emissions and electromagnetic compatibility characteristics as model: 135560003 *tested by BACL* tested by BACL, the results of which are featured in BACL project: *R2509242*.

A description of the differences between the tested model and those that are declared similar are as follows:

Model Number 135560003 is the model that was tested and contains an external temperature sensor designed to improve the temperature sensing performance of the TrackLabel.

The updated Model Number 135560002 utilizes the temperature sensor integrated within the BLE IC. Please note that this internal sensor offers reduced accuracy compared to external alternatives.

Please contact me should there be need for any additional clarification or information.

Best Regards,
