EUT View 5	 A black electronic component, likely a test probe or connector, is shown from a top-down perspective. It features a circular top surface and a protruding base. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's width spanning approximately 40 mm.
EUT View 6	 A black electronic component, similar to the one in View 5, is shown from a different angle. It features a circular top surface and a protruding base. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's width spanning approximately 40 mm.
