

Discrepancy declaration

Date:2023-08-31

Our company states that the main model of our products is TEC01, and TEC02 is series model. The series model is consistent with the main model in RF module, antenna, PCB layout, schematics and use of components, the main differences are the model name and appearance. In appearance, the TEC02 has one less plastic base compared to the TEC01, and the rest are the same.

Sincerely,

Signature:

A handwritten signature in black ink that reads "Joy Zhang". The signature is written in a cursive, slightly slanted style.
