

Solder Board-Component View 8	 A photograph showing a component on a printed circuit board (PCB) with a blue solder mask. The component is a small, rectangular, gold-colored PCB with various electronic components, including a large black integrated circuit (IC) and several smaller components. A white QR code is visible on the component. The component is mounted on a larger PCB with a blue solder mask. A ruler is visible in the background, showing measurements in millimeters.
Solder Board-Component View 9	 A photograph showing a component on a printed circuit board (PCB) with a blue solder mask. The component is a small, rectangular, gold-colored PCB with various electronic components, including a large black integrated circuit (IC) and several smaller components. A white QR code is visible on the component. The component is mounted on a larger PCB with a blue solder mask. A ruler is visible in the background, showing measurements in millimeters.
