Date: 2020-02-27

Subject: Request for a Change in Identification per Section 2.933 of the FCC Rules
Reference FCC ID: 2ANPO00NRF9160

To Whom It May Concern:

This letter grants authorization for representative of **ClearTrac Technologies, LLC** to apply to the FCC for a change in identification as specified under 47CFR section 2.933 of the FCC rules.

This authorization applies to **Nordic Semiconductor ASA, FCC ID: 2ANPO00NRF9160** based on the grant issued on 06/17/2019. The original grant to **Nordic Semiconductor ASA** will remain in effect.

We are aware that **ClearTrac Technologies, LLC** intends to market the above referenced product under their own FCC ID: **2AVN910631**.

ClearTrac Technologies, LLC will be responsible for obtaining FCC approval for FCC ID: **2AVN910631** through PCTEST Telecommunication Certification Body (TCB) which includes ensuring that the maximum antenna gain of the product is limited to the values stated in the Nordic Semiconductor FCC Modular approval letter for FCC ID: 2ANPO00NRF9160 issued on 11/25/2018.

The equipment of **ClearTrac Technologies, LLC** is electrically identical with the only change being the label on the device. There is no change in design, circuitry or construction involved. The original test results, technical information and relevant documents continue to be representative of and applicable to the changed equipment.

Sincerely,

Ebbe Rømcke
Quality Director
Nordic Semiconductor
