

Appendix 2

Photodocumentation

Description: Test setup in the anechoic chamber

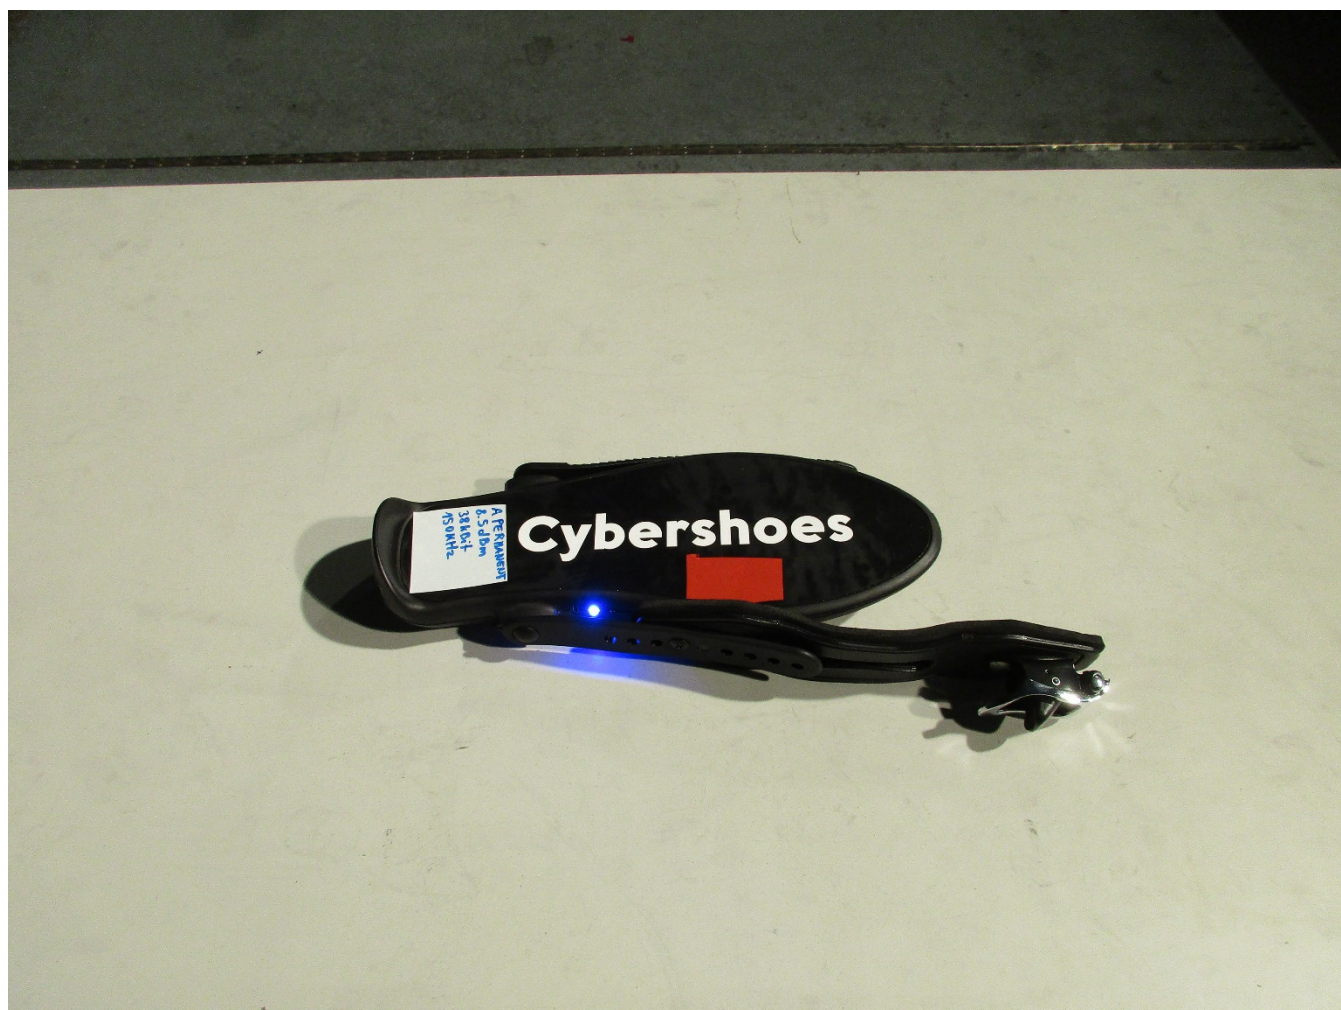

Division:
Industry & Energy

Department: FG

Test report reference:
INE-AT/FG-20/102

Page: 7 of 14

Date: 28.01.2020

Appendix 2

Photodocumentation

Description: Test setup 30 MHz - 1 GHz

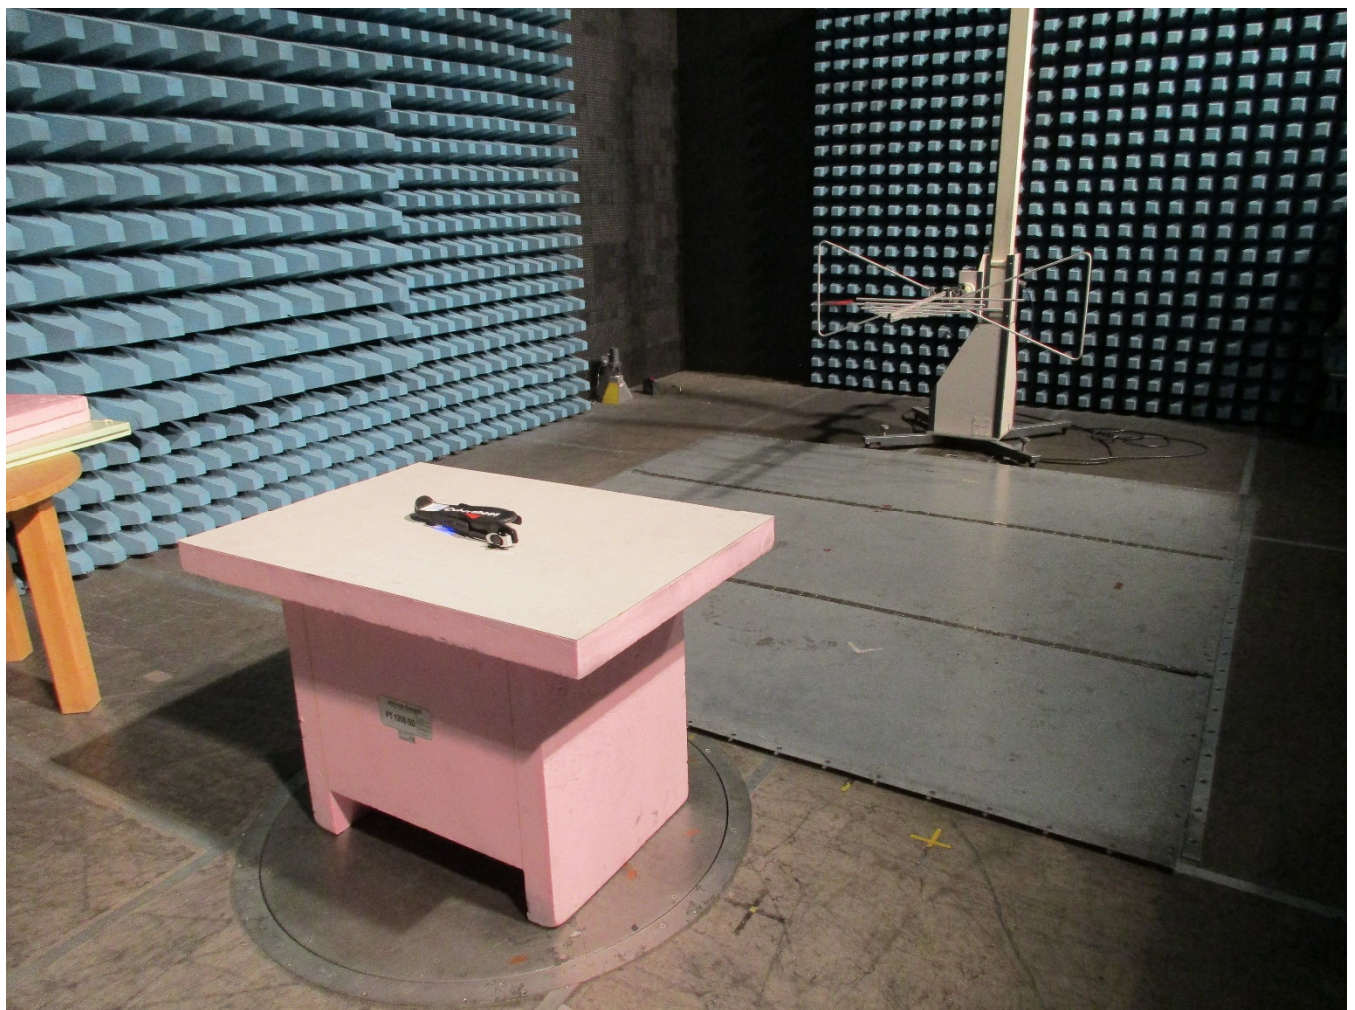

Division:
Industry & Energy

Department: FG

Test report reference:
INE-AT/FG-20/102

Page: 8 of 14

Date: 28.01.2020

Appendix 2

Photodocumentation

Description: Test setup above 1 GHz

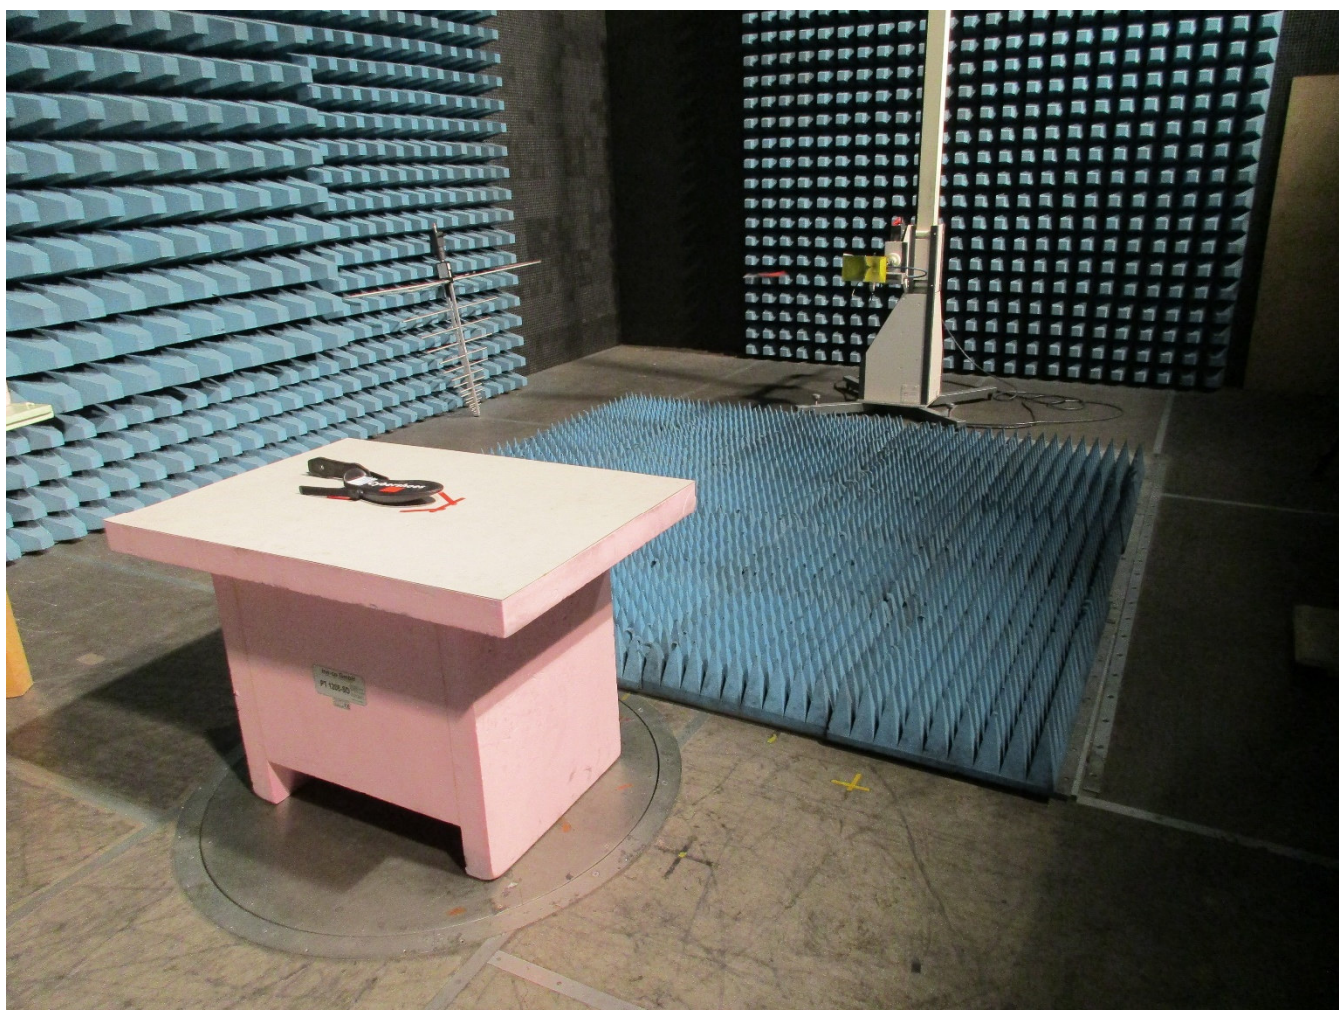

Division:
Industry & Energy

Department: FG

Test report reference:
INE-AT/FG-20/102

Page: 9 of 14

Date: 28.01.2020

Appendix 2

Photodocumentation

Description: Test setup below 30 MHz (tested together with left shoe)

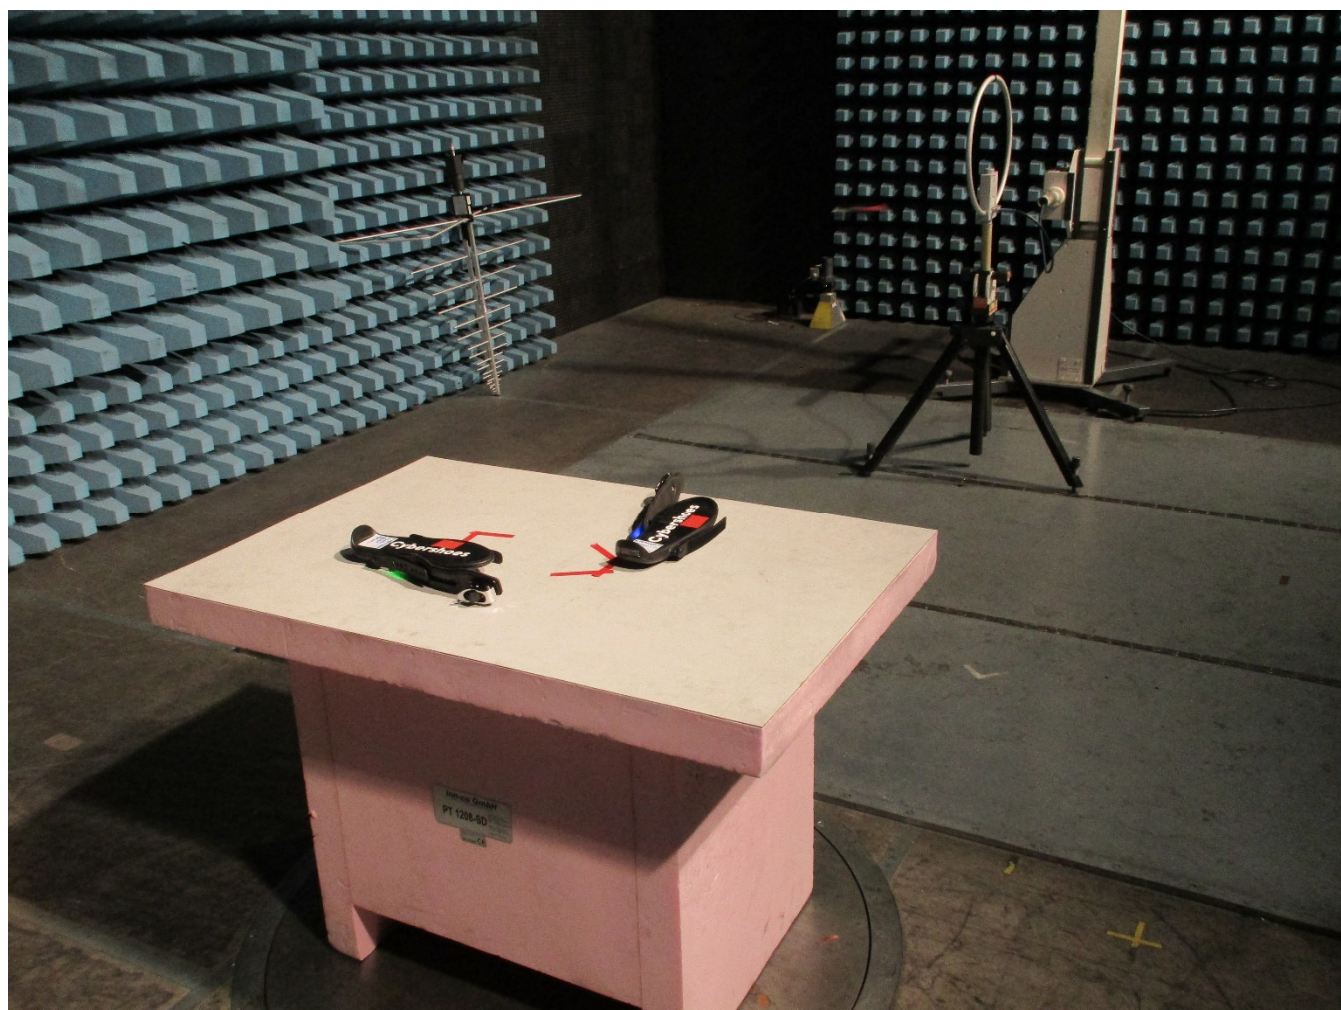

Division:
Industry & Energy

Department: FG

Test report reference:
INE-AT/FG-20/102

Page: 10 of 14

Date: 28.01.2020

Appendix 2 Photodocumentation

Description: Test setup charging mode

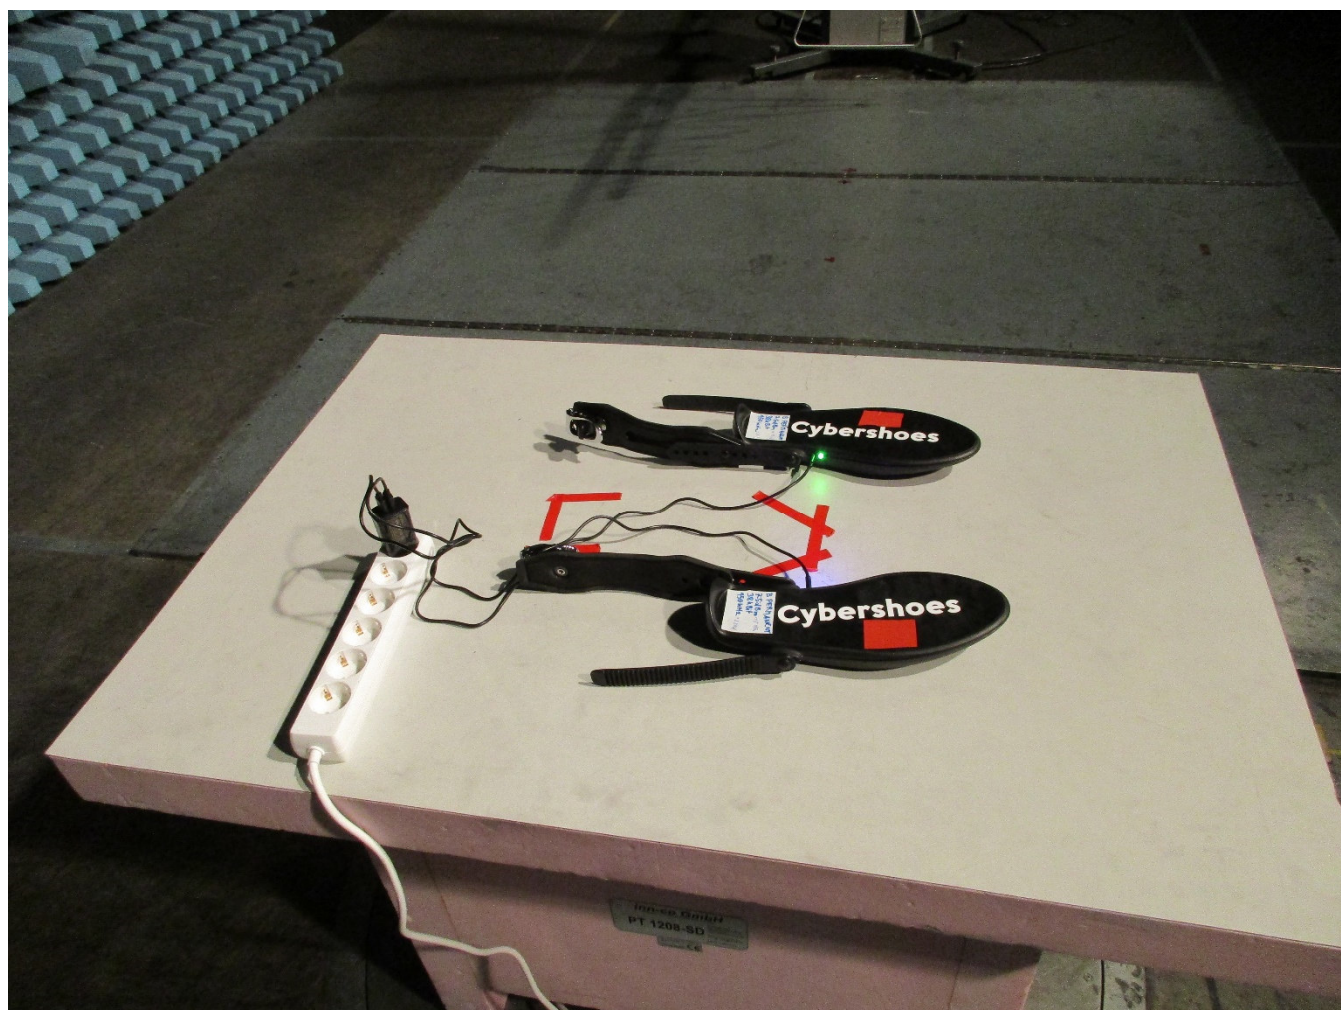

Division:
Industry & Energy

Department: FG

Test report reference:
INE-AT/FG-20/102

Page: 11 of 14

Date: 28.01.2020

Appendix 2

Photodocumentation

Description: Test setup below 30 MHz (charging)

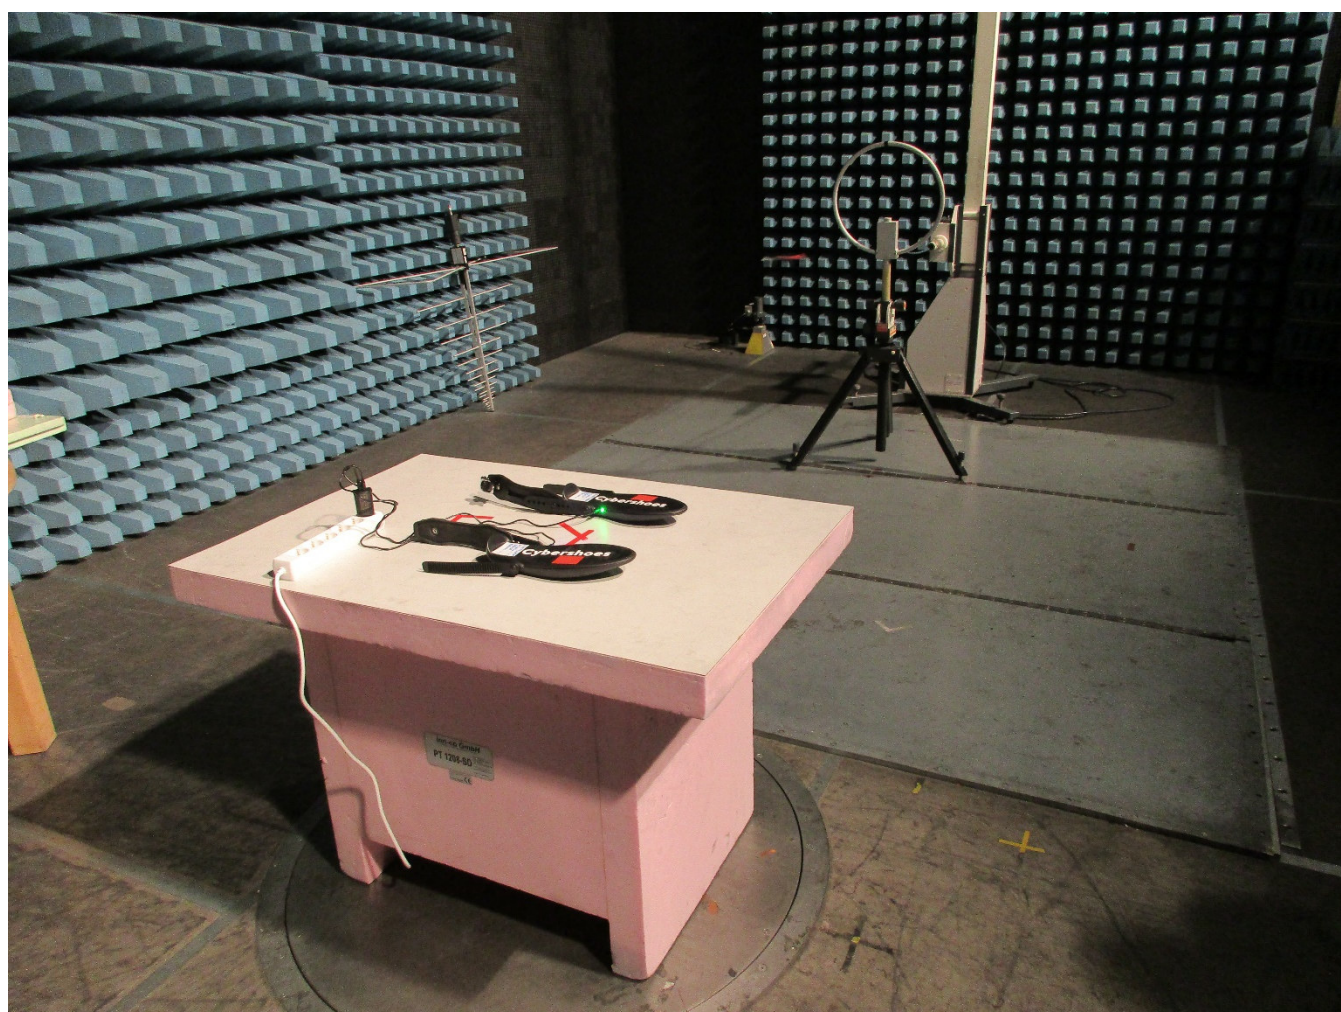

Division:
Industry & Energy

Department: FG

Test report reference:
INE-AT/FG-20/102

Page: 12 of 14

Date: 28.01.2020

Appendix 2 Photodocumentation

Description: Test setup 30 MHz - 1 GHz (charging)

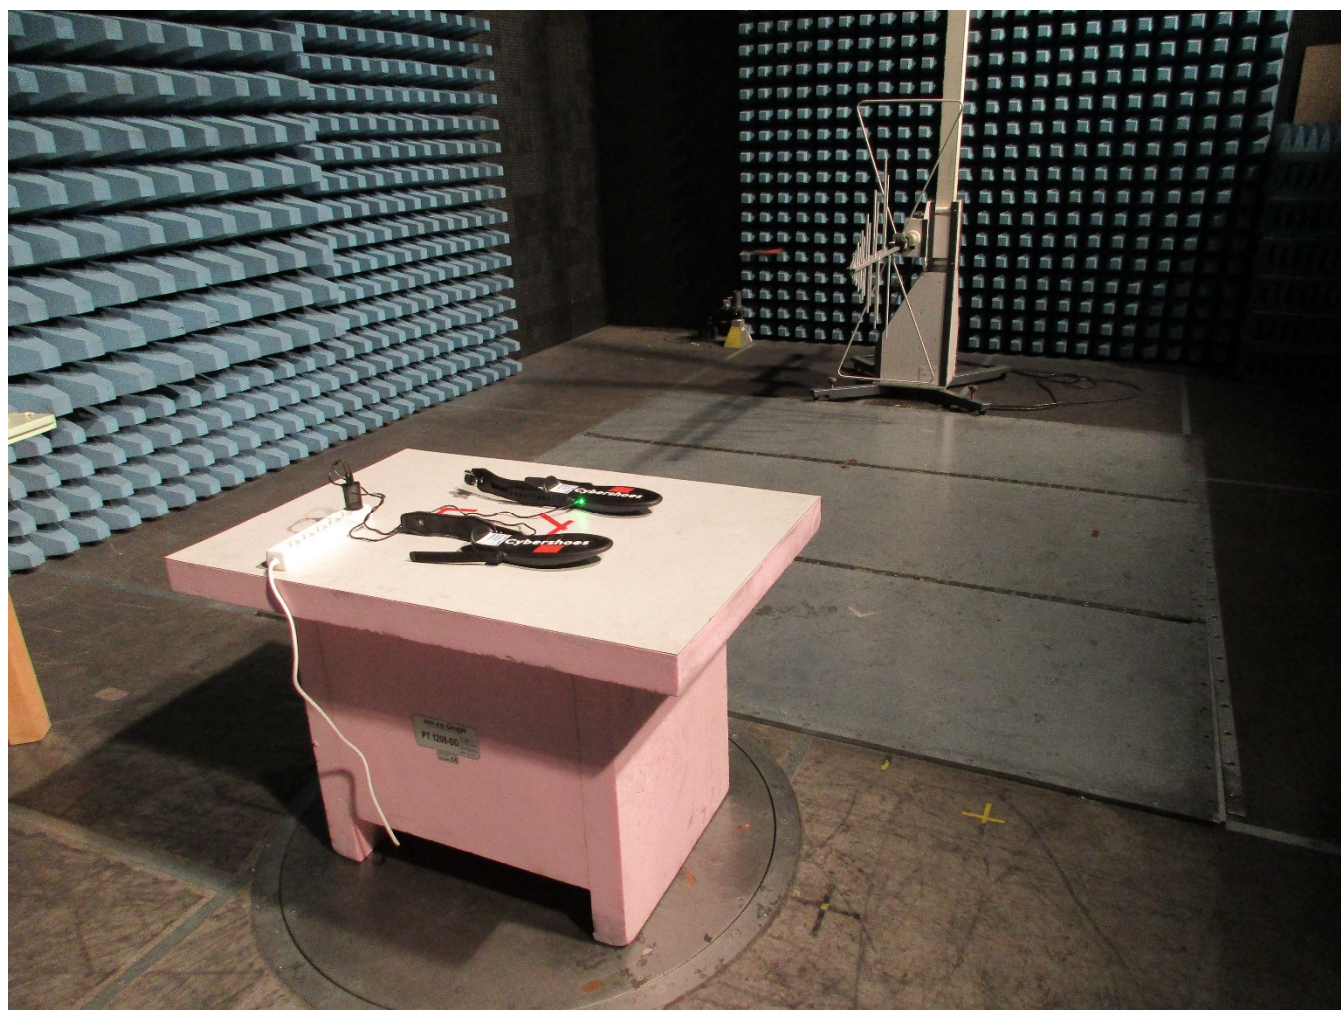

Division:
Industry & Energy

Department: FG

Test report reference:
INE-AT/FG-20/102

Page: 13 of 14

Date: 28.01.2020

Appendix 2 Photodocumentation

Description: Power supply used

Division:
Industry & Energy

Department: FG

Test report reference:
INE-AT/FG-20/102

Page: 14 of 14

Date: 28.01.2020
