C.O.B.O. SpA has spent substantial effort in developing this product and it is one
of the first of its kind in industry. Having the subject information easily available to
"competition" would negate the advantage they have achieved by developing this
product. Not protecting the details of the design will result in financial hardship.

Permanent Confidentiality:

The applicant requests the exhibits listed above as permanently confidential be
permanently withheld from public review due to materials that contain trade
secrets and proprietary information not customarily released to the public.

Short-Term Confidentiality:

The applicant requests the exhibits selected above as short term confidential be
withheld from public view for a period of 0 days from the date of the Grant of
Equipment Authorization and prior to marketing. This is to avoid premature
release of sensitive information prior to marketing or release of the product to the
public. Applicant is also aware that they are responsible to notify TUV Rheinland
in the event information regarding the product or the product is made available to
the public. TUV Rheinland will then release the documents listed above for
public disclosure pursuant to FCC Public Notice DA 04-1705.

Sincerely,
