Regarding: Confidentiality Request regarding application for FCC ID 2AVPQGC269016

LONG TERM CONFIDENTIALITY

Pursuant to 47 CFR Section 0.459 and 0.457 of the commission's rules, the applicant hereby request confidential treatment of the documents listed below, associated with the certification application referenced above.

Schematic(s)
Block Diagrams
Operational Descriptions
Parts List / BOM
Installation Manual

The documents above contain proprietary information not released to the public. Public disclosure of this information may prove harmful to the business of the applicant.

Additionally, the applicant requests special confidentiality for the installation manual. The device is produced by GETINGE, only. Manufacturing in different companies is not intended. Therefore, the installation manual is solely intended for GETINGE installation personal, unit development teams and authorized persons at GETINGE.

SHORT TERM CONFIDENTIALITY

Additionally, the applicant requests the following documents be held confidential until the device is marketed or 180 days from the grant date, whichever is less. If the device is marketed within 180 days of the Grant Date, the applicant will notify the TCB per FCC KDB 726920 D01 Confidentiality Request Procedures.

(void) Short Term Confidentiality is not requested.

Sincerely,

Stephan Haft
