Support	10

I Fit

Snap the left and right earcups into the headband to configure the best fit and sound.

The headband adjusts to three sizes (small, medium, large) by moving the earcups.

To remove an earcup, press the earcup post to detach it from the headband.

I Set up and basics

Set up for your PS5® console

Connect your dongle to the USB-C port of your PS5® console.

Set up for PC

1. Connect your dongle to the USB-C port of your PC or laptop.

Attention: If you do not have a USB-C port on your PC, you will need to use a USB-C to USB Adaptor.

I Charging your Headset

Only use the cable provided with the headset and charge the headset directly from your PS5® console or PC.

It takes around 2 hours to fully charge the headset.

Note the following battery power indications:

Red LED – low battery and is charging

Yellow LED – medium battery and is charging

Green LED – high battery and is charging

LED Off – the battery is fully charged

I Power on or off

Press and hold the on/off button for 3 s.

I Adjust volume

Increase or decrease the volume using the volume dial. When maximum volume is reached, you will hear a prompt tone indicator.

I Mute

The microphone is a flip to "mute":

- If the microphone arm is down, it is active.
- If the microphone arm is up, it is muted.

I The different wireless modes

Your headset has 3 different modes of communication:

- Game mode:

This mode only communicates with the USB-C dongle. Bluetooth connection is disabled so you will not be disturbed while gaming.

- Dual mode:

This mode has a dual connection with the USB-C dongle and the Bluetooth device at the same time.

Note that if you receive a call, the audio from the USB-C dongle will stop and you will hear the incoming call.

- Bluetooth mode :

This mode only communicates with your Bluetooth device.

How to switch modes?

To switch from one mode to another, press the mode button once. After three single presses, the headset mode will return to the first mode.

To skip the next mode, double press the mode button.

I How to pair your headset?

- USB-C Dongle:

If you need to do a new pairing for any reason, make sure:

- The USB-C Dongle is connected to your console or PC.
- Turn off the Headset.

Press and hold the On/Off button for more than 6 s to hear the prompt voice say "Pairing USB". The headset LED will flash purple during the pairing process.

When pairing is successful, you will hear the prompt voice say:

- "Connected" in USB mode.
- "USB connected" in Dual mode.

When pairing is unsuccessful, you will hear the prompt voice say: "USB pairing failed".

In this case, repeat the pairing process, making sure the conditions above are met.

- Bluetooth:

To pair your headset with a Bluetooth device, make sure to:

- Press and hold the Mode button for more than 6 s, until you hear the prompt voice say: "Pairing Bluetooth". The headset's LED will flash blue during the pairing process.
- Open the Settings menu on your mobile device and go to the Bluetooth setting. Then, turn on the Bluetooth connection. Look for RIG 600 MAX in the list of devices and connect to it.

If pairing is successful, you will see the message on your device but you will also hear a prompt voice say through the headset:

- "Bluetooth connected" in Dual mode,
- "Connected" in Bluetooth mode.

When pairing is unsuccessful, you will hear the prompt voice say: "Bluetooth pairing failed".

In this case, turn off your device's Bluetooth connection and power off the headset. Then, repeat the pairing process, making sure the above conditions are met.

WARNING: When in Dual mode, your headset is connected to both a USB-C dongle and a Bluetooth device. However, one communication will take priority over the other.

If you answer an incoming call, for instance, the communication with the USB-C Dongle will stop and the incoming call will be heard.

When the call is complete, the headset will automatically switch back to the USB-C Dongle.

I Multi-function button

With a single press of this button, you can:

- Play/Pause your music when your communication is activated.
- Answer an incoming call when your communication is activated.

Your headset remembers the last connected Bluetooth device, so you won't need to set it up again, even if you switch modes or power on/off your headset.

With a short press (6 s) of this button, you can:

- Activate your mobile device's voice assistant, when connected to Bluetooth.
- Reject a call.

I How to customize your experience?

If you want to go deeper into your headset customization, please download the Companion APP RIG 600 MAX from Google Play (for Android devices) and App Store (for iOS devices).

The app will enable you to:

- Customize up to 3 audio profiles quickly using the Classic mode, or more precisely through the Expert mode:
 - Your microphone gain.
 - Your microphone monitoring level.
 - Activate ear protection which limits the maximum volume of the headset.
 - Your equalizer settings (with pre-set configurations).
 - Define the default mode when you power on your headset.
 - Reduce the prompt tones and voice interaction during headset use.
- Visualize tutorials to know how the APP and headset work.
- Test your headset via a test mode to check that all buttons, microphone and speakers are working as they should.
- Choose your prompt voice language (from the 6 supported languages).
- Set the power off timer when there are no communication activities (headset with USB-C Dongle & Bluetooth devices).
- Get important information about your headset and Bluetooth device.
- Get support via the FAQ and from our Customer Service.

I Safety

Please read the safety guide for important safety, charging, battery and regulatory information before using your new headset.

WARNING: Risk of explosion if the battery is replaced by an incorrect type.

- Battery cannot be subjected to high or low extreme temperatures, low air pressure at high altitude during use, storage or transportation.
- Replacement of a battery with an incorrect type that can result in an explosion or the leakage of flammable liquid or gas.
- Disposal of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery that can result in an explosion.
- Leaving a battery in an extremely high temperature environment that can result in an explosion or the leakage of flammable liquid or gas.
- A battery subjected to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas.
- The headset and dongle unit shall not be supplied by a power source exceeding 15W (i.e. 5V 3A).

I Support

NACON offers a one year Limited (North America, Australia and New Zealand), two years Limited (EU and UK) and one year Limited (all other countries and regions) warranty. Please be aware that you may have other rights depending on the laws of the state or country where the product was purchased. We strongly advise you to keep your receipt of purchase in order to prove the date of purchase of this product. For warranty terms and conditions, visit our web site at

COMPLIANCE

EN. The EIRP power values and the Frequency bands relating to this product, identified in the list below, comply with the requirements of Directive

2014/53/EU:

EIRP: RIG 600 MAX - <13 dBm

Frequency band: (2,402 ~ 2,480) GHz

DE. Die EIRP-Leistungswerte und die Frequenzbander für dieses Produkt, die in der nachstehenden Liste aufgeführt sind, entsprechen den Anforderungen der Richtlinie 2014/53/EU:

EIRP: RIG 600 MAX- <13 dBm Frequenzband : (2,402 ~ 2,480) GHz

FR. Les valeurs de puissances EIRP et des bandes de Fréquence relatives au présent produit, identifiées dans la liste ci-après,

sont conformes aux exigences de

la directive 2014/53/UE:

EIRP: RIG 600 MAX- <13 dBm

Bande de fréquence : (2,402 ~ 2,480) GHz

IT. I valori di potenza EIRP e le bande di frequenza relative a questo prodotto, identificati nell'elenco seguente, sono conformi ai requisiti della direttiva 2014/53/UE:

EIRP: RIG 600 MAX- <13 dBm

Banda di frequenza: (2,402 ~ 2,480) GHz

ES. Los valores de potencia del IPESI y las bandas de frecuencias relacionadas con este producto, identificadas en la lista siguiente, cumplen los requisitos de la Directiva 2014/53/UE:

EIRP: RIG 600 MAX - <13 dBm

Banda de frecuencia : (2,402 ~ 2,480) GHz

NL. De EIRP-vermogenswaarden en de frequentiebanden met betrekking tot dit product, zoals vermeld in de onderstaande lijst, voldoen aan de eisen van Richtlijn

2014/53/EU:

EIRP: RIG 600 MAX- <13 dBm

Frequentieband : (2,402 ~ 2,480) GHz

PT. Os valores de potencia EIRP e as bandas de frecuencia relativas a este produto, identificados na lista abaixo, cumprem os requisitos da Diretiva 2014/53/UE:

EIRP: RIG 600 MAX- <13 dBm

Banda de frecuencia : (2,402 ~ 2,480) GHz

PL. Wartości mocy EIRP i pasma częstotliwości odnoszące się do tego produktu, określone w poniższym wykazie, są zgodne z wymogami dyrektywy 2014/53/UE:

EIRP: RIG 600 MAX - <13 dBm

Częstotliwości : (2,402 ~ 2,480) GHz

TR. Aşağıdaki listede tanımlanan bu ürünle ilgili EIRP güc değerleri ve Frekans bantları, 2014/53/EU sayılı Direktifin gerekliliklerine uygundur:

EIRP: RIG 600 MAX - <13 dBm

Frekans bandı : (2,402 ~ 2,480) GHz

Reporting Security Issues

Nacon is committed to ensuring the security of its customers by protecting their personal information from unwarranted disclosure. If you believe there is or has been a security issue, please follow this process:

1) Information on how to report security issues

Please email Nacon at support@nacongaming.com with the following information:

- Product name
 - Date of purchase
 - Location of purchase
 - Details of the issue
 - The location the vulnerability or security concern was discovered.
 - A detailed description of the steps needed to reproduce the vulnerability or security concern which may include screen shots.
- You will receive an acknowledgement of the security issue report as soon as practicable, and status updates until the resolution of the reported security issue.

Please use the email title: 'Security issue'

2) Information on minimum security periods

Security updates will be available for 2 years from the date of purchase, up to the 31st December 2026.

This process is free of charge to the end user.

3) Disclosure to third parties

If the issue reported affects a third-party vendor or library, Nacon reserves the right to forward the relevant details to that party without giving prior notice.

The power delivered by the charger must be between min 1.9 watts required by the radio equipment, and max 2.5 watts in order to achieve the maximum charging speed.

(1) This headset uses the 2.4 GHz frequency range. If PS5® consoles or other products are using the same frequency, they may interfere with each other.

(2) Nacon validated operability between PlayStation®5 consoles (CFI-1000, 2000, 7000 series) and this headset.

(3) As for PlayStation®5 consoles (CFI-1000 series), it is recommended to insert the USB dongle of this headset to the USB port on the front of the PlayStation®5 console.

This product shall not be connected to power supply source exceeding 15W.

EN. When this crossed-out wheeled bin symbol is attached to a product it means that the product is covered by European Regulation (EU) 2012/19/EU. Please check your local area rules for the separate collection of electrical and electronic products. Please act according to your local rules and do not dispose of your old products with your normal household waste. Correct disposal helps to prevent negative consequences for the environment and human health.

FR. La présence de ce symbole de poubelle barrée signifie que ce produit est couvert par le règlement européen (UE) 2012/19/UE. Veuillez vous renseigner sur votre système local de collecte séparée des équipements électriques et électroniques. Merci de respecter la réglementation locale et de ne pas jeter vos anciens appareils avec les ordures ménagères ordinaires. Une mise au rebut correcte de votre ancien appareil contribue à éviter les effets néfastes potentiels sur l'environnement et la santé humaine.

DE. Dieses Symbol der durchgestrichenen Mülltonne bedeutet, dass dieses Produkt unter die europäische Verordnung (EU) 2012/19/EU fällt. Bitte informieren Sie sich über das örtliche Abfalltrennsystem für elektrische und elektronische Produkte. Bitte richten Sie sich nach den in Ihrer Region geltenden Vorschriften für die Abfalltrennung und entsorgen Sie Ihre alten Produkte nicht mit Ihren normalen Haushaltsabfällen. Die Entsorgung alter Produkte hilft, Umweltschäden zu verhindern und Ihre Gesundheit zu schützen.

NL. De aanwezigheid van dit symbool van een doorkruiste vuilnisbak op wielen betekent dat dit product valt onder de Europese Verordening (EU) 2012/19/EU. Ga na welk lokaal inzamelpunt er bestaat voor elektrische en elektronische producten. Houd u aan de lokale regelgeving en gooi uw afgedankte producten niet bij het huishoudelijke afval. Een correcte afvoer van uw afgedankte product voorkomt mogelijke negatieve gevolgen voor het milieu en de menselijke gezondheid.

ES. La presencia de este símbolo de cubo de basura tachado significa que este producto está cubierto por el Reglamento Europeo (UE) 2012/19/UE. Infórmese sobre el sistema local de recogida selectiva de productos eléctricos y electrónicos. Actúe de acuerdo con la normativa local y no elimine los productos viejos con la basura doméstica normal. La eliminación correcta de su producto antiguo ayuda a evitar posibles consecuencias negativas para el medio ambiente y la salud humana.

IT. La presenza del simbolo del bidone barrato indica che questo prodotto è coperto dal Regolamento europeo (UE) 2012/19/UE. Informarsi sul sistema di raccolta differenziata locale per i prodotti elettrici ed elettronici. Agire rispettando le regole locali e non smaltire i vecchi prodotti nei normali rifiuti domestici. Il corretto smaltimento del vecchio prodotto contribuisce a prevenire potenziali conseguenze negative sull'ambiente e sulla salute umana.

PT. A presença deste símbolo de contentor de lixo com rodas barrado com uma cruz significa que este produto é abrangido pelo Regulamento Europeu (UE) 2012/19/UE. Informe-se sobre o seu sistema local de recolha seletiva de produtos elétricos e eletrónicos. Aja em conformidade com as regras locais e não descarte os seus produtos antigos juntamente com o lixo doméstico normal. A eliminação correta do seu produto antigo ajuda a evitar potenciais consequências negativas para o meio ambiente e para a saúde humana.

PL. Obecność tego przekreślonego symbolu pojemnika na kółkach oznacza, że produkt ten jest objęty europejskim rozporządzeniem (UE) 2012/19/UE. Prosimy o zapoznanie się z lokalnym systemem selektywnej zbiórki produktów elektrycznych i elektronicznych. Postępuj zgodnie z lokalnymi przepisami i nie wyrzucaj starych produktów razem ze zwykłymi odpadami domowymi. Prawidłowa utylizacja starego produktu pomaga zapobiegać potencjalnym negatywnym konsekwencjom dla środowiska i zdrowia ludzi.

REGULATORY COMPLIANCE INFORMATION INFORMATIONS DE CONFORMITÉ RÉGLEMENTAIRE

1 - FCC DECLARATION OF CONFORMITY

EN. FCC: Declaration of Conformity

This product complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receivers.
- Connect the equipment into an outlet on a circuit different from that to which the receivers connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirements.
The device can be used in portable exposure conditions without restriction.

2 - IC STATEMENT

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

- 1. This device may not cause interference.
- 2. This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

- 1. L'appareil ne doit pas produire de brouillage.
- 2. L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

3 - EIRP/ DECLARATION OF CONFORMITY (UK + EU)

EN. EIRP STATEMENT

The EIRP power values and the Frequency bands relating to this product, identified in the list below, comply with the requirements of Directive 2014/53/EU:

EIRP: <13dBm
Frequency band: (2,402 ~ 2,480) GHz

EU DECLARATION OF CONFORMITY

Nacon hereby declares that the radio equipment type complies with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following web address: <https://my.nacongaming.com/support>.

Link to the full product declaration : <https://my.nacongaming.com/support>

UK DECLARATION OF CONFORMITY

UK RE Regulation 'Informal DoC' statement

Hereby Nacon declares that this product is in compliance with the relevant statutory requirements. For details please access the following web address : <https://my.nacongaming.com/fr-FR/support>
The frequencies used by the wireless networking feature of this product are the 2.4GHz and/or Bluetooth® range. Wireless frequency band and maximum output power:

Frequency Band: 2.402GHz ~ 2.480Ghz
Maximum Output Power: < 13dBm / 20mW

FR. DÉCLARATION EIRP

Les valeurs de puissances EIRP et des bandes de Fréquence relatives au présent produit, identifié dans la liste ci-après, sont conformes aux exigences de la directive 2014/53/UE:

EIRP: <13dBm
Bande de fréquence : (2,402 ~ 2,480) GHz

EU DECLARATION DE CONFORMITÉ

Par la présente Nacon déclare que l'équipement radioélectrique est conforme à la directive 2014/53/UE. Le texte complet de la déclaration UE de conformité est disponible à l'adresse internet suivante : <https://my.nacongaming.com/support>.

Lien de la déclaration complète : <https://my.nacongaming.com/support>

DE. EIRP EU-KONFORMITÄTSERKLÄRUNG

Die EIRP-Leistungswerte und die Frequenzbänder für dieses Produkt, die in der nachstehenden Liste aufgeführt sind, entsprechen den Anforderungen der Richtlinie 2014/53/EU:

EIRP: <13dBm
Frequenzband : (2,402 ~ 2,480) GHz

EU-KONFORMITÄTSERKLÄRUNG

Nacon erklärt hiermit, dass die Funkanlage der Richtlinie 2014/53/EU entspricht. Der vollständige Text der EU-Konformitätserklärung kann unter der folgenden Internetadresse eingesehen werden: <https://my.nacongaming.com/support>.

Link zur vollständigen Produktdeklaration: <https://my.nacongaming.com/support>.

NL. EIRP-VERKLARING

De EIRP-vermogenswaarden en de frequentiebanden met betrekking tot dit product, zoals vermeld in de onderstaande lijst, voldoen aan de eisen van Richtlijn 2014/53/EU:

EIRP: <13dBm
Frequentieband: (2,402 ~ 2,480) GHz

EU-VERKLARING VAN OVEREENSTEMMING

Nacon verklaart bij deze dat de installatie voor radioverbinding voldoet aan de richtlijn 2014/53/EU. De volledige EU-conformiteitsverklaring is te raadplegen op de volgende website: <https://my.nacongaming.com/support>.

Link naar de volledige productverklaring: <https://my.nacongaming.com/support>

ES. DECLARACIÓN

Los valores de potencia del IPESI y las bandas de frecuencias relacionadas con este producto, identificadas en la lista siguiente, cumplen los requisitos de la Directiva 2014/53/UE:

EIRP: <13dBm
Banda de frecuencia : (2,402 ~ 2,480) GHz

DECLARACIÓN DE CONFORMIDAD DE LA UE

Mediante la presente, Nacon declara que el equipo radioeléctrico cumple la directiva 2014/53/UE. El texto integral de la Declaración de conformidad UE puede consultarse en el sitio siguiente web: <https://my.nacongaming.com/support>.

Enlace hacia la declaración completa del producto: <https://my.nacongaming.com/support>.

IT. EIRP DICHIARAZIONE

I valori di potenza EIRP e le bande di frequenza relative a questo prodotto, identificati nell'elenco seguente, sono conformi ai requisiti della direttiva 2014/53/UE:

EIRP: <13dBm
Banda di frequenza : (2,402 ~ 2,480) GHz

EU DICHIARAZIONE DI CONFORMITÀ

Il sottoscritto, Nacon dichiara che l'apparecchiatura radioelettrica è conforme alla direttiva 2014/53/UE. Il testo completo della dichiarazione UE di conformità è disponibile all'indirizzo internet seguente : www.nacongaming.com
Link alla dichiarazione completa del prodotto: <https://my.nacongaming.com/support>.

PT. DECLARAÇÃO EIRP

Os valores de potência EIRP e as bandas de frequência relativas a este produto, identificados na lista abaixo, cumprem os requisitos da Diretiva 2014/53/UE:

EIRP: <13dBm
Banda de frequência : (2,402 ~ 2,480) GHz

EU DECLARAÇÃO DE CONFORMIDADE

A Nacon declara que o equipamento de rádio está em conformidade com a Directiva 2014/53/UE. O texto completo da declaração de conformidade da UE está disponível no seguinte endereço web: <https://my.nacongaming.com/support>.

Ligação para a declaração de conformidade completa do produto: <https://my.nacongaming.com/support>

PL. OŚWIADCZENIE EIRP

Wartości mocy EIRP i pasma częstotliwości odnoszące się do tego produktu, określone w poniższym wykazie, są zgodne z wymogami dyrektywy 2014/53/UE

EIRP: <13dBm
Częstotliwość : (2,402 ~ 2,480) GHz

DEKLARACJA ZGODNOŚCI UE

Niniejszym Nacon oświadcza, że sprzęt radiowo-elektryczny jest zgodny z Dyrektywą 2014/53/UE. Pełny tekst deklaracji zgodności UE jest dostępny pod następującym adresem internetowym: <https://my.nacongaming.com/support>.

Link do pełnego tekstu deklaracji produktu: <https://my.nacongaming.com/support>

4 - EU WHEELIE BIN STATEMENT

EN. This product contains batteries covered by the European Regulation (EU) 2023/1542 which cannot be disposed of with normal household waste. Please check your local area rules for the separate collection of batteries because correct disposal helps to prevent negative consequences for the environment and human health.

FR. Votre produit contient une batterie qui relève du règlement européen (UE) 2023/1542 et ne peut donc pas être jetée avec les ordures ménagères. Merci de vous renseigner sur les règles locales de collecte séparée des batteries, car une mise au rebut correcte contribue à éviter les effets néfastes sur la santé humaine et l'environnement.

DE. Ihr Produkt enthält Batterien, die gemäß der Europäischen Verordnung (EU) 2023/1542 nicht mit dem normalen Hausmüll entsorgt werden dürfen. Bitte informieren Sie sich über die örtlichen Vorschriften zur getrennten Sammlung von Batterien, da eine ordnungsgemäße Entsorgung dazu beiträgt, negative Folgen für die Umwelt und die menschliche Gesundheit zu vermeiden.

NL. Uw product bevat batterijen die voldoen aan de Europese verordening (EU) 2023/1542 en die niet met het huishoudelijk afval mogen worden weggegooid. Informeer naar de lokale regelgeving betreffende gescheiden inzameling van batterijen aangezien een juiste afvalverwerking bijdraagt aan het voorkomen van negatieve gevolgen voor het milieu en de volksgezondheid.

ES. Tu producto contiene pilas que cumplen la normativa europea (UE) 2023/1542 y no deben desecharse con la basura doméstica. Por favor, informese sobre la normativa local en materia de recogida selectiva de las baterías, ya que la eliminación correcta ayuda a prevenir consecuencias negativas para el medio ambiente y la salud humana.

IT. Il tuo prodotto contiene batterie conformi al regolamento europeo (UE) 2023/1542 e non deve essere smaltito con i rifiuti domestici. Informarsi sulle regole locali sulla raccolta differenziata delle batterie, poiché lo smaltimento corretto contribuisce a prevenire le conseguenze negative per l'ambiente e la salute umana.

PT. O teu produto contém pilhas que estão em conformidade com o Regulamento Europeu (UE) 2023/1542 e não devem ser eliminadas juntamente com o lixo doméstico. Informe-se sobre as regras locais relacionadas com a recolha seletiva de baterias, pois a eliminação correta das baterias ajuda a evitar consequências negativas para o ambiente e saúde humana.

PL. Wój produkt zawiera baterie, które są zgodne z europejskim rozporządzeniem (UE) 2023/1542 i nie mogą być wyrzucane razem z odpadami domowymi. Prosimy poinformować się w zakresie lokalnych przepisów dotyczących selektywnej zbiórki baterii w celu ich prawidłowej utylizacji, aby zapobiegać negatywnym skutkom dla środowiska i chronić zdrowie ludzi.
