

Differences

Component	CU-403-1011-01 Internal antenna	CU-403-1011-02 External antenna
LTE Antenna 1 (on PCB)	Part number 1270208066 populated	-depopulated and will be supported with external antenna
LTE Antenna 2 (on PCB)	Part number 1271012300 populated	-depopulated and will be supported with external antenna
GNSS antenna module	Part number 1271012668 populated	-depopulated and will be supported with external antenna
Rosenberger FAKRA connector	-depopulated as the antennas are internal to device	Part number 1271011007 RF-Connector 59S2CB-40MT5-CHD populated to support connection to external antenna (FAKRA connectors)
