Attestation Statements for the Covered List

To: Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

Regarding FCC ID: 2AVVV-MW09

Section 2.911(d)(5)(i) Statements

Meter Inc. ("the applicant") certifies that the equipment for which authorization is sought is not "covered" equipment prohibited from receiving an equipment authorization pursuant to section 2.903 of the FCC rules.

Meter Inc. ("the applicant") certifies that the equipment for which authorization is sought does not include cybersecurity or anti-virus software produced or provided by Kaspersky Lab, Inc. or any of its successors and assignees, including equipment with integrated Kaspersky Lab, Inc. (or any of its successors and assignees) cybersecurity or anti-virus software pursuant to **DA-24-886** and KDB 986446 D01 Covered Equipment Guidance section B(2a).

Meter Inc. ("the applicant") certifies that the equipment for which authorization is sought is not a consumer-grade router and does not have any routing capability or features and therefore is not covered equipment pursuant to DA 26-278.

The device in this application is inherently compliant based on hardware limitations and software controls, wherein Meter Inc. actively selects the hardware and software components to exclude anything from an entity on the covered list. The Meter OS prevents any software from being modified or added by third parties or non-Meter Inc. entities.

Section 2.911(d)(5)(ii) Statement

Meter Inc. ("the applicant") certifies that, as of the date of the filing of the application, the applicant is not identified on the Covered List (as a specifically named entity or any of its subsidiaries or affiliates) as an entity producing "covered" equipment.

Regards,

A handwritten signature in black ink, appearing to read "Saied Haddad", is written over a light blue horizontal line.
