Request for Permissive Change

To Whom It May Concern:

Pursuant to CFR 2.1043, Meter Inc., hereby requests a Class II Permissive Change for the following project:

FCC ID: **2AVVV-MW09** (Original Grant Date: 08/23/2023)

This project is a Permissive Change for the purpose of adding the Point-to-Multipoint operation using external, directional antennas.

Please note that no hardware modifications have been made to the transmitter circuitry, and the main functions of the device remain unchanged from the originally certified ID. The SW security description filed in the original equipment initial application remains unchanged and is wholly applicable to the product with this permissive change request.
