WARNING: The HALO® SleepSure™ IS NOT A MEDICAL DEVICE.
IT IS NOT INTENDED FOR USE AS A MEDICAL DEVICE OR TO REPLACE A MEDICAL DEVICE. IT DOES NOT AND IS NOT INTENDED TO DIAGNOSE, CURE, TREAT, ALLEVIATE OR PREVENT ANY DISEASE OR HEALTH CONDITION OR INVESTIGATE, REPLACE OR MODIFY ANATOMY OR ANY PHYSIOLOGICAL PROCESS; NOR WILL IT PREVENT SUDDEN INFANT DEATH SYNDROME (SIDS).

WARRANTY
HALO stands by our products. For warranty information, please visit [halosleep.com](https://www.halosleep.com).

TERMS AND CONDITIONS
The use of HALO's products is subject to the terms and conditions found at: www.halosleep.com/sleepsure-terms-conditions. By using this HALO product, you agree to those terms. For more information, please contact: customerservice@halosleep.com.

IMPORTANT SAFETY INFORMATION
Please read and follow all safety and use instructions for the Product and the HALO SleepSure App when using any baby monitoring products.
If you do not understand the instructions, please contact us right away at: customerservice@halosleep.com or 1-888-999-HALO.

SAFETY RECOMMENDATIONS

- Always keep the base station at least three feet away from your baby's crib because the cord can pose a strangulation hazard.

- The HALO SleepSure Product and App are aids only and not a substitute for adult supervision.
- Respond immediately whenever you receive a notification from the HALO SleepSure Product or App.

For babies with health conditions, please consult your health professional to determine whether or not the HALO SleepSure is right for you.

Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment. Please only use the supplied power adapter.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC ID: 2AW6I-4801 (Base Station) / FCC ID: 2AW6I-4802 (Sensor)

HALO is committed to meeting the requirements of directive 2012/19/EU on waste electrical and electronic equipment (WEEE). Please visit [halosleep.com](https://www.halosleep.com) to find out more about proper disposal.

INPUT: 100-240V-50/60Hz 0.3A Max / **OUTPUT:** 5V 1A

Conforms to UL62368-1 and No. 62368-1

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. The Base Station should be installed and operated with minimum distance 20cm between the radiator and your body.
