EUT View 4

EUT View 5	 A black handheld electronic device is shown from a top-down perspective. It features a rectangular screen in the center, flanked by two small navigation buttons (left and right arrows) and a central button. Above the screen is a circular button with a small protrusion. The device is placed on a blue surface next to a black ruler with white markings. The ruler is oriented vertically, with the device's top edge aligned with the 0 mm mark. The ruler shows markings up to 100 mm.
EUT View 6	 A black handheld electronic device is shown from a side-on perspective. It features a rectangular screen on the right side and a circular button with a small protrusion on the left side. The device is placed on a blue surface next to a black ruler with white markings. The ruler is oriented vertically, with the device's left edge aligned with the 0 mm mark. The ruler shows markings up to 100 mm.
