

A white and black handheld electronic device, possibly a barcode scanner or data collector, is shown lying on a blue surface. The device has a white body with black accents. It features a small screen and buttons on the front and a larger display on the back. A ruler is placed next to it for scale, showing measurements in centimeters and inches. The device is oriented vertically, with the handle at the bottom and the main body at the top. The ruler is placed horizontally, with the 0 mark on the left and the 350 mark on the right. The device's height is approximately 250 mm.
