

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph of the front of a white electronic device (EUT). The device is rectangular with a small, dark screen at the top. Below the screen are four buttons arranged in a diamond pattern. The device is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters.
EUT View 2	 A photograph of the back of the white electronic device (EUT). The device is rectangular and has a small, square, light-colored feature near the top. It is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters.

EUT View 3	 A photograph showing a white, rectangular electronic device (EUT) with a small screen and four buttons. The device is placed on a blue background next to a black ruler. The ruler has markings in millimeters and centimeters. The device is oriented vertically, and the ruler is placed horizontally next to it.
EUT View 4	 A photograph showing a white, rectangular electronic device (EUT) with a small screen and four buttons. The device is placed on a blue background next to a black ruler. The ruler has markings in millimeters and centimeters. The device is oriented horizontally, and the ruler is placed vertically next to it.

EUT View 5	 A photograph showing a white, rectangular electronic unit (EUT) from a side-on perspective. The unit is positioned vertically next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters. The unit has a small, dark rectangular screen at the bottom and four small, square buttons arranged in a vertical column above it. The background is a solid blue surface.
EUT View 6	 A photograph showing the same white, rectangular electronic unit (EUT) from a different side-on perspective. The unit is positioned horizontally next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters. The unit has a small, dark rectangular screen on the right side and four small, square buttons arranged in a horizontal row to its left. The background is a solid blue surface.
