

Attachment A

Type / Model Name : Calf Monitoring System - Collector

Product Description : SRD - Transceiver

Applicant : Futuro Farming GmbH

Address : Franz-Mayer-Strasse 1

93053 Regensburg

GERMANY

Manufacturer : Futuro Farming GmbH

Address : Franz-Mayer-Strasse 1

93053 Regensburg

GERMANY

**Attachment to
Test Report No. :** **T46462-00-04JP**

19. October 2020

Date of issue

Deutsche
Akkreditierungsstelle

1 Photo documentation of the test setup

AC powerline conducted emissions

Occupied bandwidth, Maximum peak output power conducted, Spurious emissions conducted, Duty cycle correction factor, Carrier frequency separation, Number of hopping channels, Average time of occupancy

Unwanted emissions, radiated 30 -1000MHz

Unwanted emissions, radiated 1 – 10 GHz
