Request for long term confidentiality of the Internal photos for our Vence Collar

To Whom It May Concern,

We kindly request that you maintain long-term confidentiality regarding the internal photos of our Vence collar for the following reasons:

- Our Vence collar is securely ultrasonic welded and cannot be accessed by unauthorized individuals.
- Our public manuals do not include internal photos.
- In the event of a failure, the Vence collar can only be serviced or replaced by trained professionals authorized at the manufacturer.
- The Vence collar is using a special developed technology which we would like to protect from competitors.

See also the enclosed NDA.

We need your help to protect this unique design.

Yours Sincerely
