EN How to Wear

Pick up the headphones, bring them behind the back of the base of your neck, position the earhooks on your ears, then enjoy your music!

Notice: Wearing your headphones the wrong way could cause discomfort. The transducers should rest in front of your ears

FR Comment porter

Prenez le casque, placez-le derrière votre nuque, positionnez les crochets auriculaires sur vos oreilles et profitez de votre musique !

Remarque : Porter le casque de manière incorrecte peut être inconfortable. Les transducteurs doivent être placés devant vos oreilles.

DE Wie trägt man

Nehmen Sie die Kopfhörer, führen Sie sie hinter Ihren Nacken und positionieren Sie die Ohrbügel an Ihren Ohren. Anschließend können Sie Ihre Musik genießen!

Hinweis: Das falsche Tragen der Kopfhörer kann zu Unbehagen führen. Die Schallwandler sollten vor Ihren Ohren aufliegen."

IT Come indossare

12

Prendi le cuffie, posizionale dietro la nuca, posiziona iganci auricolari sulle orecchie e goditi la musica!
Nota: indossare le cuffie nel modo sbagliato potrebbe causare disagio. I trasduttori devono essere posizionati davanti alle orecchie

ES Cómo usarlo

Toma los auriculares, colócalos detrás de la nuca, coloca los ganchos en las orejas y ¡disfruta de tu música!
Aviso: Usar los auriculares de forma incorrecta puede causar molestias. Los transductores deben quedar delante de las orejas.

RU Как носить

Возьмите наушники, заведите их за шею, закрепите заушники на ушах и наслаждайтесь музыкой!
Примечание: неправильное ношение наушников может вызвать дискомфорт. Преобразователи должны располагаться перед ушами.

PL Jak nosić

Weź słuchawki, umieść je za podstawą szyi, umieść zaczepy na uszach i ciesz się muzyką!
Uwaga: Noszenie słuchawek w niewłaściwy sposób może powodować dyskomfort. Przetworniki powinny znajdować się przed uszami.

CZ Jak nosit

Vezměte si sluchátka, dejte si je za krk, umístěte si háčky za uši a užijte si hudbu!
Upozornění: Nesprávné nošení sluchátek může způsobit nepohodlí. Měníče by měly být umístěny před ušima.

JP 着用方法

ヘッドホンを手にとって首の付け根の後ろに回し、イヤーフックを耳に当てて、音楽をお楽しみください。
注意: ヘッドホンを間違った方向に装着すると、不快感を感じる可能性があります。トランスデューサーは耳の前に装着してください。

AR كيفية ارتداء

أمسك سماعات الرأس، وضعها خلف مؤخرة رقبتك، ثم ثبت خطافات الأذن على أذنيك، واستمتع بموسيقاك!
ملاحظة: قد يسبب ارتداء سماعات الرأس بشكل خاطئ عدم الراحة. يجب أن تستقر مكبرات الصوت أمام أذنيك.

FCC ID: 2AX4YBC02
MADE IN CHINA

FCC Statement

1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference.

(2) This device must accept any interference received, including interference that may cause undesired operation.

2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.

To comply with RF exposure requirements, a minimum separation distance of 20mm must be maintained between the user's body and the handset, including the antenna.

IC WARNING:

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic

Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

(1) This device may not cause interference.

(2) This device must accept any interference, including interference that may cause undesired operation of the device

ADVERTENCIA IC

Cet appareil contient des émetteurs / récepteurs exemptés de licence conformes aux RSS (RSS)d'Innovation,

Sciences et Développement économique Canada. Le fonctionnement est soumis aux deux conditions suivantes :

(1) Cet appareil ne doit pas causer d'interférences.

(2) Cet appareil doit accepter toutes les interférences, y compris celles susceptibles de provoquer un fonctionnement indésirable de l'appareil.
