

Federal Communications Commission
Authorization and Evaluation Division

Confidentiality Request regarding application for certification of FCC ID: 2AXAK-100006.

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, we hereby request confidential treatment of information accompanying this application as outlined below:

Exhibit Type	File Name
Schematics	Ascent Hub Schematics.pdf
Block Diagrams	Ascent Hub Block Diagrams.pdf
Operational Description	Ascent Hub Operational Description.pdf
Parts List	Ascent Hub Parts List.pdf
Internal Photos	Ascent Hub Photos.pdf

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these materials may be harmful to the applicant and provide unjustified benefits to its competitors.

1. The circuit boards are epoxied inside the device and not accessible to the public. Evidence is picture of the fully finished and potted device, as overfill epoxy is placed on the components and the devices are sealed into the enclosures with multiple passes of epoxy.

2. No user or professional technician serviceable parts. User manual contains no photos or instructions related to internal parts.

The applicant understands that pursuant to Section 0.457 of the Rules, disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.

Sincerely,

(signature)

Landy Telford, Chief Technology Officer
(printed name)
