EUT View 1	
EUT View 2	

EUT View 3	 A photograph showing the back of a black, rectangular electronic device lying flat on a light-colored, textured surface. A yellow measuring tape is stretched across the top and left side of the device. The device features several circular ports or vents along the bottom edge and a small rectangular slot on the right side.
EUT View 4	 A photograph showing the front of the same black, rectangular electronic device. The device is highly reflective, mirroring the surrounding environment, including a blue wall and a white ceiling. A yellow measuring tape is stretched across the top and left side of the device, similar to the previous view.
