Instructions

Operating Guide

► Power On/Off

Power on: hold button ② (2s)/ off: hold (3s).

► Play/Pause Music

Click button ① once to pause/resume playback.

► Previous/Next Track | Fast Backward/Forward

- Click ④/③ once: Previous track / Next track
- Press hold ④/③: Fast backward / Fast forward

► Volume Increase/Decrease

Rotate ① upward to increase volume; downward to decrease. Volume shows in the time display.

► Answer/End Call

Click ① once to answer/end a call.

► Countdown Timer Alarm

- Hold button ① (1s) until display shows "00:00".
- Rotate button ① to set the time.
- Timer starts automatically, or hold button ① (1s) to start.

► Mode Switching

Click ② once to cycle through SD Card Mode, Bluetooth Transmitter Mode, and Bluetooth Mode.

1. SD Card Mode

Voice prompt "SD Card Mode" confirms activation. Plays audio from the SD card (default mode).

2. Bluetooth Transmitter Mode

Prompt "Transmit" confirms activation. Automatically pairs with nearby Bluetooth devices to play SD card audio.

3. Bluetooth Mode

Prompt "Bluetooth Mode" confirms activation. Pair with "K5" via phone Bluetooth to sync time and play phone audio.

► Speaker Dimensions:

Universal Apple Watch Band: 38mm/40mm/41mm, 42mm/44mm/45mm, 49mm (Note: 49mm may appear disproportionate)

► Wearing Methods

1. Wrist Strap

Attach following arrow direction until locked.

2. Magnetic Clip

Install per arrow direction; Magnetic clip attaches to thin fabrics.

3. Metal Surface Mount

Attach Magnetic Back Clip to flat metal surfaces (e.g., refrigerators).

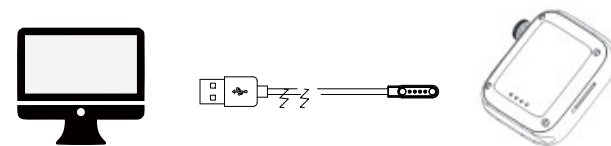

► Storing Songs & Charging

1. Storing Songs

Connect to computer via original magnetic cable. The device appears as a removable drive for transferring supported audio files (MP3, M4A, WMA, WAV).

2. Charging

When the low battery alert sounds, charge promptly. Ensure proper magnetic contact alignment. The display blinks during charging and stops when fully charged.

Attentions

1. Use only the original charging cable. Do not use non-standard or damaged chargers.
2. Ensure proper alignment of charging contacts to avoid poor connection or damage.
3. If not used for extended periods, recharge at least once every 3 months.
4. Use in dry, dust-free environments. Avoid moisture, grease, and high temperatures.
5. Bluetooth range is 10 meters. Keep devices unobstructed.
6. For magnetic mounting, ensure the metal surface is flat and clean.
7. Only supported audio formats may be stored in built-in memory.
8. Clean only with a soft, dry cloth. Do not use chemicals.
9. Do not disassemble or modify. Warranty will be void if tampered with.
10. For issues (e.g., failure to power on, charging problems), contact OHLPRO.

FCC Statement

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: 1) this device may not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Radiation Exposure Statement

This device complies with RF radiation exposure limits set forth for an uncontrolled environment. The device can be used in portable exposure condition without restriction.
